I have lived in Southern Cross since 1991 and I began working here for the local Farm Machinery Dealer for many years as a mobile mechanic serving the local farming community. When the dealership changed hands I then became the manager for the John Deere agent in Southern Cross until 2014 at which time Sandy & I purchased the Tyre service in Southern Cross & have continued to serve the local area with the help of good staff with supplying goods & services.

In my 34 years in Southern Cross I have been involved in a number of organisations - the Southern Cross Football Club Committee & President for a number of years; St Fire Ball (scrap teal fund raiser) still to date and St John Ambulance as a VAO & the Chairperson for the Southern Cross Sub Centre. I joined the local Shire & became a Councillor in 2013, in this time I have been on a number of committees, and I am renominating for Council this year as I have enjoyed the past 12 years & looking forward to another 4 years.
