	Candidate name	Lisa GRANICH
	District	Shire of Yilgarn
	Nominating for	Councillor for Shire of Yilgarn
	Election type	Ordinary
	Enrolment status	GRANICH, Lisa is eligible to stand for election as a resident of the Shire of Yilgarn.

I was born and bred in the Yilgarn and believe this has shaped my values and sense of pride in our local district.

I enjoy being involved in many of our community organisations and sporting groups some of which include St John Ambulance, the Southern Cross Football Club and Moorine Rock Tennis Club.

I want our community to be family friendly which was one of the reasons I established the first formal childcare in Southern Cross. This still continues to provide a service for working families which I am very grateful for.

Through involvement with our farming and transport enterprises I understand the needs of small businesses and support opportunities for growth and the need to provide incentives for long term employment.

I have relished my past 3 years as a councillor and would love to continue in this role to help make our community grow, thrive and prosper.
