# **Purpose of Report**

To submit to Council for consideration the continuation of a financial contribution to CEACA in the 2021/2022 financial year.

#### **Background**

In past years Council has been contributing \$20,000 per annum to CEACA as part of the Aged Housing Project in the Wheatbelt. The \$20,000 contribution individually from the eleven (11) participating Shires in the Eastern Wheatbelt region has been mainly to assist in the administrative side of the project.

Now that the Aged Housing project has been completed and 100% occupancy of the units has been achieved, CEACA have now set new priorities as part of the 2012 VERSO Report that was commissioned by CEACA into Central East Wheatbelt Aged Support and Care Regional Solution/s.

#### Comment

At the April 2020 Ordinary meeting of Council, the CEO informed Councillors that he and the Executive Manager Regulatory Services (EMRS) had met with CEACA's Independent Chair, Mr Tuck Waldron, and the Interim CEO, Mr Richard Marshall, regarding the new Strategic Priorities set by CEACA's Executive Committee for the 2021/2022 financial year, which are as follows:-

- Investigate and develop proposals for the provision of care services, including NDIS and mental health support, for the citizens of CEACA members;
- Investigate the possible expansion of CEACA accommodation units in locations required by each CEACA member;
- Investigate and develop proposals for the provision of transport services for the citizens of each CECA member;

- Investigate the availability of government funding to CEACA from both state and federal governments to implement strategic priorities 1 to 3 noted above;
- Examine the feasibility of CEACA taking over the management of accommodation units owned by each CEACA member; and
- Investigate the possibility of other Wheatbelt shires becoming a member of CEACA.

Mr Waldron advised that the above priorities can only be achieved by way of the majority of the 11 member shires continuing to contribute the annual contribution of \$20,000. Mr Waldron and Mr Marshall indicated that the benefits of CEACA membership include the following:-

- Direct involvement and influence in a social housing scheme covering the member Shires and also the wider region of the central east Wheatbelt; and
- Direct involvement and influence in the future direction of CEACA, which may include an expansion of the number of Independent Living Units (ILUs) and the development of a care services model.

In respect to dot point 2 above, the expansion of ILUs in Southern Cross is unlikely in the long-term, considering the length of time it took to occupy the two (2) CEACA Units together with other housing options that already exist in Southern Cross. Also, within the Yilgarn district there are Private Home Care Providers offering in-home care and assistance to the elderly, which also covers people living with a disability or those that are recovering from surgery or disease. It could be viewed that CEACA would potentially be competing with private Home Care Providers if it pursued this direction. The CEO and EMRS did raise this matter with Mr Waldron who indicated that he would contact the private Providers to ascertain whether there was a possibility of CEACA working with them to provide care packages to residents.

The Board of CEACA next meets on 27 May, 2021 and at this meeting CEACA would like to ascertain direction from member Shires of their proposed financial commitment for the 2021/2022 financial year. It should be noted that one (1) Local Government has already indicated that they will only contribute up to \$2,000.

The Shire President, Cr Della Bosca, is on the Board of CEACA and will be representing the Shire of Yilgarn at the above meeting.

### **Financial Implications**

Should Council decide to continue with an annual contribution of \$20,000 to CEACA, provision would have to be made within the 2021/2022 Budget.

#### Officer Recommendation

That Council instructs Cr Della Bosca as Council's representative on the Board of the Central East Accommodation and Care Alliance (CEACA) Inc., to advise CEACA at its Board meeting on Thursday, 27 May 2021 of the following in respect to ongoing membership and annual financial contributions:-

- 1. that the Shire of Yilgarn does not wish to continue as a participating member of CEACA if the annual financial contribution remains at \$20,000 per annum; and
- 2. that the Shire of Yilgarn would consider continuing its participation with CEACA if annual contributions were scaled dependent upon the expectation on the level of future services required by individual members i.e., retain involvement in ILU's and accommodation requirements, but not in the proposed future priorities of care services, including NDIS, mental health support and transport services.

<u>Note</u>: Council's decision in seeking a reduced annual contribution is based upon the belief that those CEACA (Local Governments) members that hold the majority of ILU's within their respective districts/towns would ultimately benefit from the intended future priorities of CEACA as opposed to those smaller communities with a limited number of ILU's and residents requiring proposed levels of support.

In resolving the above, Council congratulates CEACA on its achievement in the construction and occupation of the 71 ILU's in the 11 Local Governments within the Central and Eastern Wheatbelt area.

Draft Policy

#### **Purpose of Report**

To submit to Council a new Policy to replace existing Staff Policy 7.5 on the Appointment of an Acting Chief Executive Officer in order that Council conforms with Section 5.39C of the *Local Government Act 1995*.

#### Background

As Council is aware, the State Government enacted new legislation that took effect from 3 February 2021 relating to the following:-

- Local Government (Administration) Regulations 2021;
- Local Government Regulations Amendment (Employee Code of Conduct) Regulations 2021; and
- Local Government (Model Code of Conduct) Regulations 2021.

Council has already complied with a number of the requirements associated with the new legislation and it is considered by the CEO that Council's existing policy for the "Appointment of Acting CEO" requires review based upon the new legislation.

Section 5.39C of the *Act*, stipulates that a Policy for temporary employment of appointment of a CEO must be prepared and adopted. This includes appointment of an Acting CEO when the current CEO is on leave.

#### **Comment**

In its guidance notes on the above matter, the Department of Local Government, Sport and Cultural Industries (DLGSC) notes:-

"Where the role of CEO is not fulfilled for a significant period, this leads to increased risk operations and governance of the local government. Therefore, local governments are required to develop and implement a policy that outlines the arrangements to temporarily replace a CEO for any period less than twelve months, for example, when a CEO is on planned or unplanned leave. The policy must include the decision-maker(s) for appointing an acting CEO.

As an example, the policy may include employee position titles, specifying that the Council considers a person holding these positions to be suitably qualified and experienced for the position of CEO. In addition, the policy should also include a methodology for the CEO to appoint an Acting CEO from the listed positions for a period of absence up to four weeks; however any decision regarding the appointment of an Acting CEO for any period exceeding four weeks must be made by the Council. This policy must be made available on the local government's website.

Senior Staff Policy No.7.3 already states the following Officers to be designated as Senior Staff in accordance with Section 5.37 of the *Act*:-

- Executive Manager Corporate Services
- Executive Manager Infrastructure
- Executive Manager Regulatory Services

In respect to existing Policy No. 7.5 relating to Acting Chief Executive Officer, it states the following:-

"When the Chief Executive Officer is on Annual Leave, Long Service Leave, or Extended Sick Leave; the Executive Manager Corporate Services shall be the Acting Chief Executive Officer, unless otherwise determined by Council.

Provided however, should the Executive Manager Corporate Services not be available then the most Senior Member of the Council staff as determined by the CEO shall act in the capacity of Acting Chief Executive Officer pending a resolution of the Council".

Whilst Council's existing Policy does meet the majority of the requirements, it is considered that it should be reworded to incorporate all areas as addressed by the DLGSC in its guidance notes. Therefore, it is proposed that the following be considered by Council as the new Policy wording:-

Senior Employees and Acting Chief Executive Officer Appointments pursuant to Section 5.37 of the Local Government Act 1995, the following employees are designated as senior employees:

- Executive Manager Corporate Services
- Executive Manager Infrastructure
- Executive Manager Regulatory Services

For the purposes of Section 5.36(2) and 5.39C of the Act, Council has determined that the employees that are appointed in one of the above positions are suitably qualified to be appointed as Acting CEO by the CEO, from time to time, when the CEO is on periods of leave, subject to the following conditions:-

- The CEO is not an interim CEO or Acting in the position;
- The term of appointment is not longer than 25 working days consecutive; and
- That the employee's employment conditions are not varied other than the employee is entitled at the CEO's discretion, no greater than the salary equivalent to that of the CEO during the Acting period.

In the case of the unavailability of the CEO due to an emergency to appoint an Acting CEO, the Executive Manager Corporate Services is automatically appointed as Acting CEO, on that Officer's salary, for up to 10 working days from commencement, and continuation is then subject to determination by the Council.

All other interim, Acting or CEO appointments to be referred to Council for consideration.

#### Officer Recommendation

That with respect to the new mandatory policy that covers the appointment of local government Chief Executive Officers on terms less than one year (including those in an Acting capacity), Council;

- 1. Pursuant to Section 5.39C(1) of the Local Government Act 1995, adopt the following Policy for Appointing an Acting Chief Executive Officer:Senior Employees and Acting Chief Executive Officer Appointments pursuant to Section 5.37 of the Local Government Act 1995, the following employees are designated as senior employees:

- 2. In adopting the above Policy, Council repeals the existing Policy No.7.5 relating to Acting Chief Executive Officer; and

#### **Purpose of Report**

To present to Council for consideration, the ongoing commitment for financial assistance to the Yilgarn Agricultural Society in conducting the 2021 Yilgarn Show.

#### **Background**

In past years Council has contributed financially to the Yilgarn Agricultural Society to assist the Society in attracting performers/rides to make the Show a more attractive event for all ages.

#### Comment

Due to COVID-19, the 2020 Show was cancelled and whilst Council had provided a financial commitment of \$9,800 in the 2020/2021 Budget for the 2020 Show, this amount has remained unexpended to date.

The President of the Agricultural Society, Mrs Alison Carnicelli, has written to Council seeking financial support for the conduct of the 2021 Show and has listed the following performers/rides that Council could consider sponsoring:-

- Lil Loui children's ride on miniature Mac Truck train \$1,550
- Magician and Fire Twirling Pirate \$1,900
- Race Kraft Virtual Go Kart Racing \$1,650
- Brazillian Dancers x 4, and Drummers x 6 \$4,500 (this is something new to this Show, we are trying to incorporate more cultural diversities into the Show)
- Smoke and Mirrors Audio \$3,150 (audio Equipment and MC)
- Constable Care Puppet Show \$3,150

Rather than identifying particular sponsorship of performers/rides, it is suggested that Council provides financial contribution earmarked with the 2020/2021 Budget (indicated above), which would then allow the Society to plan early with the sponsorship and prioritise which performers/rides would best suit the Show's patronage.

#### **Purpose of Report**

To present to Council for consideration, the ongoing commitment for financial assistance to Yilgarn Motoring Enthusiasts Inc., in conducting the 2021 Car and Bike Show.

#### **Background**

In past years Council has contributed financially to the Yilgarn Motoring Enthusiasts Inc., to assist this organisation in the conduct of the Car & Bike Show.

#### Comment

Due to COVID-19, the 2020 Car & Bike Show was cancelled and whilst Council had provided a financial commitment of \$3,000 in the 2020/2021 Budget for the 2020 event, this amount has remained unexpended to date.

The President of Yilgarn Motoring Enthusiasts Inc., Mr Ken Fairless, has written to Council seeking financial support for the conduct of the 2021 Car and Bike Show and indicated that they were reluctant to source donations from local businesses for this year's event understanding that businesses were under considerable economic strain.

Due to limited financial support, Mr Fairless is seeking additional support from Council by way of providing a top-up of \$3,000 to assist the Yilgarn Motoring Enthusiasts Inc., in attracting activities at the 2021 event.

As indicated above, provision had been made in the 2021/2021 Budget for funding of \$3,000 to Yilgarn Motoring Enthusiasts Inc., that was identified for the 2020 Car and Bike Show. If Council can commit an additional \$3,000 in its 2020/2021 Budget, this would ensure that the group would have sufficient Council sponsorship without the need to source financial assistance from other sources.

Provision made in the 2021/2021 Budget for funding of \$3,000 to Yilgarn Motoring Enthusiasts Inc., which was identified for the 2020 Car and Bike Show.

#### **Purpose of Report**

To present to Council for consideration and adoption, the Draft Tourism Marketing Strategy and Activation Plan prepared by Market Creations on behalf of the Shire of Yilgarn.

#### Background

In the development of the Shire of Yilgarn Strategic Community Plan 2020-2030, one of the outcomes from the community consultation was a recommendation for Tourism in the district to be given a higher profile and to do this, a recommendation was put forward, which Council supported, was for the re-formation of the Shire's Tourism Advisory Committee.

Following adoption of the Strategic Community Plan by Council, processes were put in place to re-form the above Committee, with the Tourism Advisory Committee's first meeting being held in September 2020. Council did provide funds in its 2020/2021 Budget to allow the Committee to commence tourism projects however, being a new Committee and endeavouring to find direction proved to be difficult.

It was therefore recommended to Council that the budgeted funds be allocated to the preparation of a Tourism Marketing Strategy that would provide direction for lifting the profile of the Shire and tourism overall. This action was supported by Council.

#### **Comment**

Following the above processes, Market Creations, a WALGA preferred supplier, was engaged by Council to work with the Tourism Advisory Committee to develop a Tourism Marketing Strategy and also to develop a dedicated Tourism Webpage.

Market Creations have now provided the Draft Tourism Marketing Strategy and Activation Plan for Council's consideration. The Tourism Advisory Committee reviewed the Draft at its meeting held on Tuesday, 4 May 2021 and supported its content and resolved the following in expectation that Council would also adopt the Strategy:-

#### Moved K Crafter Seconded Cr Rose

that Council seeks quotations for implementation of Brand Development and Awareness as per Phase 1 of the Activation Strategies outlined in the Draft Tourism Marketing Strategy in order that Council can consider such costs in the 2021/2022 Budget deliberations.

**CARRIED** 

Whilst the Committee noted that a considerable amount of funding is required to achieve the Activation Strategies as outlined within the Marketing Strategy, a phased approach over a period of years will ensure an orderly approach to lifting the profile of the Shire and the district and ensure that Council and the Tourism Advisory Committee have a clear direction towards meeting these goals.

#### 9.2.3 2021/22 Councillor Sitting Fees

File Reference 2.1.1.1
Disclosure of Interest Nil

**Voting Requirements** Absolute Majority

**Attachments** Nil

#### **Purpose of Report**

To set Councillors Sitting Fees for 2021/22.

#### **Background**

Section 7B (2) of the Salaries and Allowances Act 1975 requires the Salaries and Allowances Tribunal, at intervals of not more than 12 Months, to inquire into and determine: -

- The amount of fees, or the minimum and maximum amounts of fees, to be paid under the Local Government Act 1995 to elected council members for attendance at meetings;
- The amount of expenses, or the minimum and maximum amounts of expenses, to be reimbursed under the Local Government Act 1995 to elected council members; and
- The amount of allowances or the minimum and maximum amounts of allowances, to be paid under the Local Government Act to elected council members.

The Tribunal continues to utilise the four band Local Government classification model adopted in 2012 with the Shire of Yilgarn falling under Band 3.

With the COVID-19 pandemic unfolding early in 2020, the State Government, in an attempt to lessen the financial impacts on the Western Australian economy, requested that Local Governments freeze many of their income and expenditure requirements. As a result of this request, Shire of Yilgarn Councillor sitting fees were left unchanged.

For the 2021/2022 financial year, the tribunal has determined that remuneration, fees, expenses and allowance ranges for Band 3 Councils will remain unchanged from those determined for the 2020/21 financial year.

#### **Council Meeting Attendance Fees per Meeting**

Where a Local Government decides, by Absolute Majority, to pay a Council Member a fee referred to in section 5.98(1)(b) of the Local Government Act for attendance at a Council Meeting, the following per meeting fee range will be applicable;

	For a council member other than		For a council member who holds	
	mayor or president		the office of ma	yor or president
Band	Minimum	Maximum	Minimum	Maximum
3	\$193	\$410	\$193	\$634

#### **Committee Meeting and Prescribed Meeting Fees per Meeting**

Where a Local Government decides to pay a Council Member a fee referred to in: -

- (a) section 5.98(1)(b) of the Local Government Act for attendance at a Committee Meeting; or
- (b) section 5.98(2A)(b) of the Local Government Act for attendance at a Meeting of the type prescribed in regulation 30(3A) of the Local Government (Administration) Regulations 1996.

the following per meeting fee range will be applicable;

	For a council member (including mayor or president)		
Band	Minimum	Maximum	
3	\$97	\$205	

It should be noted that a Local Government may decide, by Absolute Majority, that instead of paying Council Members a per Meeting Attendance Fee it may, instead, decided it will pay all Council Members who attend Council, Committee or proscribed meetings a fixed annual fee.

The benefits of this to Council are that there are significantly reduced administrative requirements involved, in that payments to Councillors are usually only made on either an annual, bi-annual or quarterly basis. Additionally, the record keeping requirements of collating Councils attendance forms with time saving on the associated financial processing.

There is a downside to Council electing to utilise a fixed annual fee for Councillor sitting fees which is, if there was to be a consistently absent Councillor, there would be no mechanism to adjust their sitting fees.

At this time, it is not recommended that Council utilise annual sitting fees as it may require amending Council Policy 1.5 – Elected Member Entitlements.

#### Annual Allowance for mayor or president of a local government

Where a local government sets the amount of the annual local government allowance to which a mayor or president is entitled under section 5.98(5) of the LG Act the following allowance range will be applicable;

#### **Annual Allowance for Deputy President**

For the purpose of section 5.98A(1) of the Local Government Act the annual allowance for a Deputy President is determined to be 25% of the Presidents Allowance.

#### **Purpose of Report**

For Council to consider adopting the revised Long-Term Financial Plan 2021/22 – 2030-31.

#### **Background**

In February 2009, the Minister for Local Government announced a package of wide-ranging local government reform strategies that were aimed at achieving greater capacity for local government to better plan, manage and deliver services to their communities with a focus on social, environmental and economic sustainability.

One of the requirements was to develop and review a long-term financial plan (LTFP) that is a ten-year rolling plan that informs the Corporate Business Plan to activate Strategic Community Plan priorities. From these planning processes, annual budgets that are aligned with the strategic objectives can be developed.

#### Comment

The operating income and expenditure aspects of the LTFP are primarily developed utilising a CPI increase of 1% for the life of the plan, however the historic percentage increase/decrease of a given income or expense item could be utilised if appropriate. All estimates can be manually adjusted were appropriate to reflect a realistic valuation for the specific income or expenditure item.

Rate income is calculated utilising a 0.5% increase for the first 5 years with the remaining 5 years being calculated on a CPI Increase.

The Forward Capital Works aspect of the LTFP has been developed in consultation with the senior management team and with Councils Asset Management Officer.

#### **Purpose of Report**

To consider a response to the Department of Water and Environmental Regulation, regarding a licence amendment for the Barto Gold Mining Pty Ltd Marvel Loch Mine.

#### **Background**

The Shire is in receipt of correspondence from the Department of Water and Environmental Regulation (DWER), relating to a submission by Barto Gold Mining Pty Ltd, seeking an amendment to licence L4597/1988/14 under Division 3 Part V of the Environmental Protection Act 1986 (EP Act) for the Marvel Loch Mine.

The application seeks to undertake mine dewatering to allow for open cut mining to occur.

#### **Comment**

The correspondence from DWER is attached for Councillors perusal.

A summation of key point is listed below:

- Barto seeks to commence open cut mining at Victoria and Glendower mines below the water table, and at Vinto La above the water table;
- Barto propose an amendment to the existing licence L4597/1988/14 to allow for the construction of a 0.3 hectare 10,000m<sup>3</sup> Turkey's Nest located at the southern end of Victoria pit and a 270 metre 350mm diameter dewatering pipeline from the proposed turkeys nest to an existing pipeline between Axehandle and Triad pits;
- Previous assessment of the Triad pit indicates the estimated rate of dewatering required from the Victoria and Glendower pit during mining operations will not materially change the Triad pit lake levels, even when accounting for an assumption of negligible losses to evaporation;
- EMM environmental consultants have identified that there are no unacceptable risks to the environment and no sensitive surrounding receptors have been identified during proposed development.
- There is no requirement to increase the existing annual water entitlement.

- As the Stage 1 evaporation ponds have a combined capacity of 92.903 ML and due to the high seepage of the evaporation ponds, there is considered to be adequate residual capacity in the Stage 1 ponds. As such, the proposed licence annual discharge volume of 145 ML can be contained within the Stage 1 evaporation ponds.

# 9.4.3 Request for Comment – Lease/Purchase Crown Land - Land ID Number 3092032 – Southern Cross

File Reference 1.6.17.4
Disclosure of Interest Nil

**Voting Requirements** Simple Majority

**Attachments** Nil

#### **Purpose of Report**

To consider a request for comment in relation to a proposal to lease or purchase a lot of Unallocated Crown Land within Southern Cross town site.

#### **Background**

The Shire is in receipt of correspondence seeking Councils comments in relation to a proposal to lease or purchase a lot of Unallocated Crown land, being Land ID Number 3092032.

The lot is located adjacent to the industrial area of Southern Cross, and is accesses off Vega Street.

The proponent is planning to lodge an application with the Department of Planning Lands and Heritage, seeking to take possession of the land, and to utilise it to operate a mining support operation, which will involve the storing of mining rehabilitation equipment and materials, as well as equipment maintenance and some minor associated works.

As part of the application process with the Department, the proponent is required to seek the Local Governments comments as to whether they would support the proposal.

#### **Comment**

In assessing the request, it is deemed pertinent that Council take into account the planning scheme, zoning and proposed use against the permitted uses for the land. As should the proponent be successful in obtaining the land, they will be required to submit a Development Application for the proposed use and associated infrastructure, and therefore, Council should determine if the proposed use is something they deem fits with the zoning of the land.

The land is zoned as a "Recreational" local scheme reserve, under the Shire of Yilgarn Town Planning Scheme 2 (TPS2). However, the land is not registered with Landgate as a Reserve. As such, it is not bound by the same use restrictions a Crown Reserves are normally attributed.

The TPS2 development table lists the use categories permitted upon the relevant land zoning. There are no categories for Recreational zoned land. This would normally be a result of the Crown Reserve already having a use allocate to it, however in this instance, as it is Unallocated Crown Land, the use is not allocated, as such, it is deemed practicable to use Clause 3.2.5 of the TPS2, which states:

If the use of the land for a particular purpose is not specially mentioned in the Zoning Table and cannot reasonably be determined as falling within the interpretation on one of the use categories the Council may:

- a) determine that the use is consistent with the objectives and purposes of the particular zone and is therefore permitted; or
- b) determine that the proposed use may be consistent with the objectives and purpose of the zone and thereafter follow the "SA" procedures of Clause 6.3 in considering an application for planning approval; or
- c) determine that the use is not consistent with the objectives and purposes of the particular zone and is therefore not permitted.

As the land backs onto the existing industrial zone of Southern Cross; has no sensitive land users adjacent or within proximity to it and the proposed activities are not deemed to be a high risk of nuisance from noise, dust or vibration, it would be practicable to consider the proposed use category of "Commercial Workshop and Storage", to be a suitable use of the land. It is not however thought that advertising of the proposal is required, as there is minimal nuisance risk associated with the proposal.

The land is adjacent to a water course Reserve and as such, it is deemed appropriate to require a minimum 30 metre buffer from the known water course to any proposed infrastructure should the proponent be successful in obtaining the land.

# 9.4.4 Licence to Occupy – Wimmera Hill Telecommunications Site – BAI Communications Pty Limited

File Reference 1.6.19.3
Disclosure of Interest Nil

Voting Requirements Simple Majority
Attachments Licence to Occupy

#### **Purpose of Report**

To present to Council the proposed Licence to Occupy for BAI Communications Pty Ltd to utilise the Shire's Wimmera Hill telecommunications site.

#### **Background**

The Wimmera Hill Telecommunications site has for many years housed the re-broadcast equipment for the television broadcasters, in addition to radio and some network systems.

In 2019, a secondary unit was installed with the intention to house the television equipment separate to the Shire managed radio broadcast equipment.

Discussions have been held with the television broadcasting managing agent BAI Communications Pty Limited, in relation to the relocation of equipment into the new unit. During these discussions it was agreed that a formalised agreement should be implemented, to ensure there were clear delineations in responsibility.

The proposed licence is attached for Councillors perusal.

#### **Comment**

The Shire has to date, funded the operational costs of all equipment at the site, however the agreement now seeks to establish an ongoing contribution of \$3,000 per annum towards the operational costs, being predominately the electricity costs.

The licence is for a term of 20 years, with options to extend.

The licence re-iterates what occurs currently, with the Shire managing the maintenance of the site and the radio equipment, and BAI Communications managing the television broadcast equipment. The only tangible change is a contribution from BAI Communications being introduced.

The agreement is a standardised agreement from BAI Communications, amended to suit the Wimmera Hill Site. BAI Communications have agreed to the terms, and it is proposed that Council also agree to the terms of the licence, as provided.

#### **Statutory Environment**

Formal Licence for BAI Communications Pty Limited to occupy the Wimmera Hill Communications site.

#### 9.4.5 Tellus Holdings Alignment of Capacities Request

**Attachments** Correspondence from Tellus Holdings

#### **Purpose of Report**

To consider a request from Tellus Holdings, seeking a letter of support for a proposal to amend their licence capacities at the Sandy Ridge Intractable Waste facility.

#### Background

The Shire is in receipt of correspondence from Tellus Holdings seeking a letter of support for a licence amendment they are planning to lodge with the Department of Water and Environment regulation.

The proposal is seeking to align the current permitted gate volumes of waste permitted, being 100,000 Tonnes per annum, with the current permitted isolation (deposit) volumes of waste permitted, which is 280,000 Tonnes per annum.

The supporting document for the request is attached for Councillors perusal.

#### Comment

Tellus were approved to operate under Ministerial Statement 1078 in June 2018. The facility was built and transitioned to operations in 2020.

Ministerial Statement 1078 allows Tellus to accept 100,000 tonnes per annum (tpa) at the gate and isolate 280,000 tpa in the cell. The reason for the difference in the two rates is that liquid wastes received at the Facility require mixing with kaolin clay and an immobilisation agent to solidify the waste. This ensures all wastes are immobilised and not capable of generating leachate. This means no liquid material enters the dry waste cells.

The original volumes permitted under the licence was based on market conditions in 2016, however in the current market, it seems that solid waste form the majority of wastes requiring management. As such, this forms the bases of raising the gate volume permitted to 280,000 tonnes per annum, in line with the isolation volume permitted.
