7. ELECTION OF SHIRE PRESIDENT POSITION

In accordance with Schedule 2.3 of the *Local Government Act 1995*, the following process applies to the election of Shire President:-

2. When council elects mayor or president

- (1) The office is to be filled as the first matter dealt with —
 - (a) at the first meeting of the council after an inaugural election or a section 4.13 or 4.14 election or after an ordinary elections day; and
 - (b) at the first meeting of the council after an extraordinary vacancy occurs in the office.
- (2) If the first ordinary meeting of the council is more than 3 weeks after an extraordinary vacancy occurs in the office, a special meeting of the council is to be held within that period for the purpose of filling the office.

3. CEO to preside

The CEO is to preside at the meeting until the office is filled.

4. How mayor or president is elected

- (1) The council is to elect a councillor to fill the office.
- (2) The election is to be conducted by the CEO in accordance with the procedure prescribed.
- (3) Nominations for the office are to be given to the CEO in writing before the meeting or during the meeting before the close of nominations.
- (3a) Nominations close at the meeting at a time announced by the CEO, which is to be a sufficient time after the announcement by the CEO that nominations are about to close to allow for any nominations made to be dealt with.
- (4) If a councillor is nominated by another councillor the CEO is not to accept the nomination unless the nominee has advised the CEO, orally or in writing, that he or she is willing to be nominated for the office.
- (5) The councillors are to vote on the matter by secret ballot as if they were electors voting at an election.
- (6) Subject to clause 5(1), the votes cast under subclause (5) are to be counted, and the successful candidate determined, in accordance with Schedule 4.1 (which deals with determining the result of an election) as if those votes were votes cast at an election.

- (7) As soon as is practicable after the result of the election is known, the CEO is to declare and give notice of the result in accordance with regulations, if any.

[Clause 4 amended: No. 49 of 2004 s. 69(2)-(5); No. 66 of 2006 s. 14.]

5. Votes may be cast a second time

- (1) If when the votes cast under clause 4(5) are counted there is an equality of votes between 2 or more candidates who are the only candidates in, or remaining in, the count, the count is to be discontinued and the meeting is to be adjourned for not more than 7 days.
- (2) Any nomination for the office may be withdrawn, and further nominations may be made, before or when the meeting resumes.
- (3) When the meeting resumes the councillors are to vote again on the matter by secret ballot as if they were electors voting at an election.
- (4) The votes cast under subclause (3) are to be counted, and the successful candidate determined, in accordance with Schedule 4.1 as if those votes were votes cast at an election.

Tied Vote after Second Election

If a tied vote occurs at the resumed meeting, in accordance with Schedule 4.1 of the *Act*, the CEO is to draw lots to decide the matter. The draw should also be conducted by two persons and if available, verified by an independent person.

Following the election, the Shire President will make the Declaration of Office in the presence of Mr Nicholas Warren, CEO

CEO to vacate the Chair with the newly elected Shire President taking the Chair.

8. ELECTION OF DEPUTY SHIRE PRESIDENT POSITION

The process for the election of the Deputy Shire President is the same as for the Shire President however, the Shire President is the returning officer for this process.

Following the election, the Deputy Shire President will make the Declaration of Office in the presence of Mr Nicholas Warren, CEO

9. ELECTION OF COUNCILLORS TO VARIOUS ADVISORY COMMITTEES OF COUNCIL

9.1 SHIRE OF YILGARN AUDIT COMMITTEE

Section 7.1A of the *Local Government Act 1995* states the following in respect to the appointment of an Audit Committee

- (1) A local government is to establish an audit committee of 3 or more persons to exercise the powers and discharge the duties conferred on it.
- (2) The members of the audit committee of a local government are to be appointed* by the local government and at least 3 of the members, and the majority of the members, are to be council members.

** Absolute majority required.*

- (3) A CEO is not to be a member of an audit committee and may not nominate a person to be a member of an audit committee or have a person to represent the CEO as a member of an audit committee.
- (4) An employee is not to be a member of an audit committee.

***A recommendation that arose from a report issued by the Office of Auditor General on 15 March 2019 indicated that as far as practicable, the Audit Committee should include a few Council members rather than the entire Council.**

Mrs Julie Della Bosca has indicated her willingness to continue to serve as the community representative.

Recommendation

That Council appoints Crs.....,, and to the Shire of Yilgarn Audit Committee and reconfirms Mrs Julie Della Bosca as the Community representative on the Audit Committee.

9.2 SHIRE OF YILGARN BUSH FIRE ADVISORY COMMITTEE

Crs Guerini and Rose were Council's previous representatives on Bush Fire Advisory Committee.

Recommendation

That Council appoints Crs and as its representatives on the Local Action Group Skeleton Weed Committee.

10.3 WHEATBELT EAST REGIONAL ORGANISATION OF COUNCILS (WEROC)

The Shire President and CEO were Council's previous representatives on the Wheatbelt East Regional Organisation of Councils.

WEROC Constitution indicates that two (2) representatives from participating Councils are eligible to be on the Board. Therefore, if two (2) Councillors are interested in being members of the WEROC Board, the CEO would accompany the Councillors to meetings and would only have observer status.

Recommendation

That Council appoints Crs and (or the CEO) as its representatives on the Wheatbelt East Regional Organisation of Councils.

10.4 GREAT EASTERN COUNTRY ZONE (GECZ) OF WALGA

The Shire President and Deputy Shire President were Council's previous representatives on the GECZ with the CEO accompanying them to these meetings.

Recommendation

That Council appoints the Shire President and Deputy Shire President as its representatives on the Great Eastern Country Zone of WALGA with the CEO accompanying the above representatives to these meetings.

10.5 MT. WALTON INTRACTABLE WASTE DISPOSAL FACILITY COMMUNITY LIAISON COMMITTEE

Cr Close was the appointed Member to the above Committee, with Cr Nolan and the Executive Manager Regulatory Services as Deputy Members.

Recommendation

That Council appoints Cr as its appointed representative on the Mt. Walton Intractable Waste Disposal Facility Community Liaison Committee with Cr..... and the Executive Manager Regulatory Services as Deputy Members.

10.6 GREAT WESTERN WOODLANDS REFERENCE GROUP

Recommendation

That Council appoints the Shire President and Deputy Shire President as its representatives on the Wheatbelt North regional Road group and Sub-Group.

10.8 EASTERN WHEATBELT DECLARED SPECIES GROUP

Cr Guerini was Council's previous representative on the Eastern Wheatbelt Declared Species Group.

Recommendation

That Council appoints Cr as its representative on the Eastern Wheatbelt Declared Species Group.

10.9 RURAL HEALTH WEST

Crs Shaw and Cobden were Council's previous representative on Rural Health West.

Recommendation

That Council appoints Crs and as its representatives on Rural Health West.

10.10 LOCAL HEALTH ADVISORY COMMITTEE

Cr Cobden was Council's previous representative on the Local Health Advisory Committee

Council currently has no representative on the District Health Advisory Committee. It is believed to be preferable for the Shire to have a representative on the Local Health Advisory Committee, a community based Committee.

Recommendation

That Council appoints Cr as its representative on the Local Health Advisory Committee.

10.11 WHEATBELT AGCARE COMMITTEE

Cr Nolan was Council's previous representative on Wheatbelt AgCare.

Recommendation

That Council appoints Cr as its representative on the Wheatbelt AgCare Committee.

10.12 CENTRAL EAST AGED CARE ALLIANCE INC. (CEACA)

The Shire President was Council's appointed representative on CEACA

CEACA's Constitution only allows Council to appoint a Member and does not provide for Deputy Members to be appointed although the CEO would always accompany Council's representatives to CEACA meetings.

Recommendation

That Council appoints Cr as its Member on the Central East Aged Care Alliance (CEACA) Inc.

10.13 WHEATBELT COMMUNITIES INC.

WEROC has now become the Incorporated body and Wheatbelt Communities Inc. has ceased.

Recommendation

That Council notes the cessation of Wheatbelt Communities Inc.

10.14 SHIRE OF YILGARN ROADS COMMITTEE

Crs Nolan, Close and Guerini were Councils appointed representative on the Shire of Yilgarn Roads Committee together with the CEO and Executive Manager Infrastructure.

Recommendation

That Council appoints Crs, and as its representatives on the Shire of Yilgarn Roads Committee.

Purpose of Report

To inform Council of the outcome of the applications that were received from Contractors to form Panels of Pre-Qualified Suppliers to provide Gravel/Aggregate Carting, Contract Grading, Plant Hire and Earthmoving Works throughout the Shire.

Background

As per the Shire's Purchasing and Tendering Policy 3.5 – Section 3 Panels of Pre-Qualified Suppliers, it states that the Shire will consider creating a Panel of Pre-qualified Suppliers ("Panel") when a range of similar goods and services are required to be purchased on a continuing and regular basis.

The policy also states that if the Shire decides that a Panel is to be created, it will establish the panel in accordance with the Regulations. At the June 2018 Ordinary Council meeting, Council resolved the following:

73/2018

Moved Cr Della Bosca/Seconded Cr Guerini

That Council;

- 1. Receives the advice from Civic Legal in relation to Tender Value Limits;***
- 2. Based upon the advice received, Council is satisfied of the procedures and processes undertaken by staff to date in respect to the provision of goods and services and, that Council's primary objective for not dealing with the matters in a single contract has not been to avoid the calling of tenders.***
- 3. That as a means to minimise the perceived risk of anti-avoidance provisions as per Regulation 12 of the Local Government (Functions and General) Regulations 1996, Council establishes Panels of Pre-Qualified Suppliers for Gravel Carting, Contract Grading and Earthmoving Works.***

In the case of all other Suppliers, Council continues with its current practices of procurement based on one-off contracts in accordance with purchasing thresholds contained within the Shire of Yilgarn's Purchasing and Tendering Policy.

- 4. That Council adopts the revised Purchasing and Tendering Policy as presented.***

CARRIED (6/0)

The current panel of Pre-Qualified Suppliers expires in 2021, and as such the process to establish a new Panel has commenced.

Comment

Advertisements were placed on the Shire's website, in the "*Kalgoorlie Miner*" Newspaper and "*Crosswords*" Newsletter inviting Contractors to apply to join Pre-Qualified Supplier Panels, based on a three (3) year Panel period with one (1) year contracts only.

At the close of the statutory advertising period, being Monday 4th October 2021, the attached listings detail the quotations received.

The application document advised the following criteria would be utilised to assess and rate potential suppliers, and that the Shire of Yilgarn intended to appoint at least three (3) suppliers on each Panel with an indicative maximum of six (6) Panel Members. It was indicated that the number of short listed suppliers would be at the discretion of the Shire relevant to the quality of submissions received against the selection criteria, services required and value for money.

Purpose of Report

To have Council endorse the proposed location for the Electric Vehicle Highway charging station location, and commit to minor preparations of the site.

Background

On the 17th August 2021, the Labor Government announced its plan to implement an Electric Vehicle (EV) highway, with ninety (90) new electric vehicle fast charging stations at forty-five (45) locations along key travel routes in Western Australia, averaging less than 200 kilometres apart.

Southern Cross was earmarked as a location for a charging station, and on the 7th October 2021, the CEO and EMRS met with representatives from Synergy, who have been engaged as the Project Managers for the Southern half of the State, to discuss possible locations.

Whilst several locations were discussed, it was agreed that the ideal location was 1 Altair Street, Southern Cross, being the lot adjacent to Emu Park.

The preference of 1 Altair Street was based on the following:

- Located on Highway, with good exposure;
- Located near main business/commercial area, to encourage users to venture down the main street;
- HV power running along highway, with good access;
- Large open area with easy access and manoeuvrability, with space for future expansion;
- Shire owned;
- Minimal ground preparation required;
- Open area to provide visual security for users;

Southern Cross is earmarked for a fast charge station with 2 outlets, and a trickle charger as a back up should there be an issue with the fast charger.

Synergy representatives advised there would need to be a minimum standard for sites, which include a sealed area of adequate size to enable a car and trailer to enter and exit safely on two sides. They advised that the State Government funding did not cover upgrades to sites, only equipment, and that LG's would be asked to contribute if site upgrades were required.

The following concerns held by Staff were raised with Synergy Representatives, with the following responses provided:

- ***Who is responsible for ongoing operation and maintenance:*** Synergy advised that the State Government would be responsible for the ongoing operation and maintenance of the equipment, they indicated local supplier contracts would be established with local trades for maintenance and servicing.
- ***Would the land be transferred to State Government:*** Synergy advised the plan would be to set up a peppercorn lease with the Shire, so the Shire still owned the land and could upgrade the area as they see fit, however Synergy would own and manage the EV charging infrastructure;
- ***Who pays for the electricity if it is Shire land:*** Synergy, as part of the peppercorn lease, would install a ground mounted transformer of about 1 by 1 metre, fed from the Main High Voltage Line which would then feed the charging stations, as this would be Synergy infrastructure, there would be no meter or supply costs to the Shire.

Comment

To progress with the planning process, Synergy representatives advised they need confirmation from the Shire that Council agree to the location, agree to entering into a peppercorn lease for use of the land, and agree to upgrade the area to the minimum surface requirement, prior to them proceeding with applications for connection to the Western Power network.

The Shire had previously undertaken investigations into surface treatments at 1 Altair Street, as a parking area for caravan's and RV's, with costings undertaken in 2019/2020 equating to \$28,045.28 to seal a 50 metre by 30 metre area and install 100 linear metres of kerbing. This would be more than sufficient to meet the minimum surface standard required by Synergy for the install and would help to improve the aesthetics of the area for travellers passing through.

It is the reporting officers opinion that the EV highway is a great opportunity to add another drawcard to Southern Cross and the Yilgarn district, which may help to attract a new and ever increasing type of traveller to the region, for a relatively small cost to Council.

The current 2021/2022 budget has no allocation of funds for this purpose. As the roll out of the EV highway is still in it's planning stages, seeking Council endorsement for the funds to complete the works in the current financial year may be premature. As such, it is recommended Council endorse the location, endorse entering into a peppercorn lease and endorse as a minimum, the sealing of 1 Altair Street, with the relevant funding, estimated to be around \$30,000 to \$35,000, to be endorsed either via separate agenda item should works be required prior to the 2021/2022 midyear review, or otherwise, through the 2021/2022 mid-year review or 2022/2023 annual budget process.

Whilst normally the disposition of land would require public notice, the Local Government (Functions and General) Regulations 1996, exempt the requirement as it will be disposed to an agency of the Crown.

Statutory Environment

Local Government Act 1995

3.58. Disposing of property

(1) In this section —

dispose includes to sell, lease, or otherwise dispose of, whether absolutely or not;

property includes the whole or any part of the interest of a local government in property, but does not include money.

(2) Except as stated in this section, a local government can only dispose of property to

- a. the highest bidder at public auction; or
- b. the person who at public tender called by the local government makes what is, in the opinion of the local government, the most acceptable tender, whether or not it is the highest tender.

(3) A local government can dispose of property other than under subsection (2) if, before agreeing to dispose of the property —

- a. it gives local public notice of the proposed disposition —
 - i. describing the property concerned; and
 - ii. giving details of the proposed disposition; and
 - iii. inviting submissions to be made to the local government before a date to be specified in the notice, being a date not less than 2 weeks after the notice is first given; and
- b. it considers any submissions made to it before the date specified in the notice and, if its decision is made by the council or a committee, the decision and the reasons for it are recorded in the minutes of the meeting at which the decision was made.

(4)-Omitted

(5) This section does not apply to —

- d. any other disposition that is excluded by regulations from the application of this section.

Local Government (Functions and General) Regulations 1996

30. Dispositions of property excluded from Act s. 3.58

- (1) A disposition that is described in this regulation as an exempt disposition is excluded from the application of section 3.58 of the Act.
- (2) A disposition of land is an exempt disposition if —
 - c. the land is disposed of to —
 - i. the Crown in right of the State or the Commonwealth; or
 - ii. a department, agency, or instrumentality of the Crown in right of the State or the Commonwealth; or
 - iii. another local government or a regional local government;

Purpose of Report

For Council to determine the preferred candidate to take on the cropping lease of Lots 36, 44 and 88 Great Eastern Highway for a further three (3) years.

Background

The cropping lease for Lots 36, 44 and 88 (the Lots) expires on the 21st March 2022, as such, expressions of interest were sought via Crosswords and the Shire's website and notice board, from interested parties to take on the lease as of the 22nd March 2022 until the 21st March 2025.

Expressions of interest were accepted up until the 7th October 2021, after which three interested parties responded as follows:

- Shaun Pedrin – Interested in Lot 88, (would consider lots 36 and 44);
- Southern Cross Football Club – Interested in Lots 36, 44 & 88;
- Andrew and Sandra Parker – Interested in Lots 36, 44 & 88.

Comment

The draft agreement is attached for Councillors perusal.

The expression of interest detailed that the lots could be leased separately.

14.1.4 Covalent Lithium Haulage Options

File Reference	3.2.1.27
Disclosure of Interest	None
Voting Requirements	Simple Majority
Attachments	Map of Haulage Route Options

Purpose of Report

For Council to consider two proposed haulage routes by Covalent Lithium for the ongoing haulage of lithium product from the Mount Holland mine.

Background

Covalent Lithium (Covalent) are in the process of constructing a mine and concentrator at Mt Holland (approximately 120km south of Southern Cross) that will produce approximately 435,000 tonnes (wet) of lithium concentrate.

This concentrate requires transportation to the Covalent lithium hydroxide refinery in Kwinana, Western Australia.

Covalent is evaluating road and rail options for the transportation of the concentrate to Kwinana, however under both scenarios Covalent is required to transport the concentrate from the mine site to Great Eastern Highway (nearest available rail intermodal facility is Moorine Rock).

Covalent has evaluated various routes to Moorine Rock and shortlisted two routes, of which are detailed in the attached map.

The configuration of the trucks utilising this route will depend on if road or rail is selected:

- Road – the preferred road contractor is proposing the use of pocket road trains with a payload of either 68 tonnes or subject to approvals a quad axel pocket road train with a payload of approximately 80 tonnes;
- Rail – the preferred rail contractor is proposing the use of triple road trains to Moorine Rock where the containers have a payload of approximately 33.5 tonnes per container.

Even if road is selected the preference (budget permitting) would be to design the road upgrades to meet the configuration required for rail to ensure this option is not precluded in the future.

The Shire of Yilgarn has advised Covalent that approval to utilise the selected route is contingent on the roads being upgraded and maintained by Covalent for the duration of the project.

Based on the requirements detailed in a report by RMECS (Rod Munns) covering route 1, it is determined that the condition of the roads along both options are variable with substantial

improvements required in many sections. This includes widening the existing sealed section of Parker Range Road.

Covalent have detailed the following regarding the two options:

Both routes utilise existing public roads that support the local agricultural and mining industry.

To maintain all weather access, minimise ongoing maintenance and reduce dust from haulage activities Covalent will seal the selected route.

The Wheatbelt North, Regional Strategies for Significant Local Government Roads (2021) report, specifically identifies each of the routes Option 1 and Option 2, as requiring upgrades to support mining and agricultural activities.

Comment

Covalent will be undertaking to determine the preferred route post the Shire of Yilgarn October Council meeting, however will be lodging relevant applications prior to the November Council meeting. As such, they have requested Council endorsement of their proposed haulage options.

It is the CEO's opinion that haulage Route 2 would provide a greater level of benefit to the Shire of the following reasons:

- The number of individual business entities located along Route 2 is significantly higher than those along Route 1, and as such, Route 2 would provide greater benefit in this regard;
- The business entities along Route 2 are predominately farming, and whilst farming and mining are both equally important to the Yilgarn district, farming doesn't suffer the significant market fluctuations that can see mining operations placed into care and maintenance or abandoned, meaning the Route 2 option has a better chance of providing long term benefits to the business community in the area;
- Covalent have their water pipeline traversing along Route 2, by having this as the haulage route, it would reduce the spread of assets of which Covalent would be required to maintain. Any road used for haulage would be required to be maintained by Covalent, and it would be assumed, that over a 50 year mine life and beyond, there is bound to be maintenance requirements for the pipeline, which will have an effect on the road surface, as such, it seems practicable to have assets liability's collocated and minimised;

In order to assist Covalent progress this project, it is proposed that Council endorse a preferred haulage route, being option 2, however commit to working with Covalent, regardless of their preferred option, to draft and implement a Council endorsed agreement covering road upgrades, maintenance and monetary contributions to allow Covalent's use of relevant Shire roads.

14.1.5 Extraordinary Election

File Reference	2.2.1
Disclosure of Interest	None
Voting Requirements	Simple Majority
Attachments	Nil

Purpose of Report

To advise Council of the need to hold an extraordinary election to fill one (1) vacant Councillor Position, and to endorse the proposed format of the extraordinary election.

Background

During the 2021 ordinary election process, the Shire of Yilgarn had four Councillor vacancies to fill, with only three nominations received, Councillors Wayne Della Bosca, Bryan Close and Gary Guerini were all elected unopposed.

In order to fill the remaining vacancy, an extraordinary election is to be conducted. Section 4.57 – “Less candidates than vacancies” of the local Government Act 1995 (the Act), states;

- (2) *If, at the close of nominations, the number of candidates is less than the number of offices to be filled at the election —*
 - (a) *the candidate or candidates is or are elected; and*
 - (b) *an extraordinary election is to be held to fill the remaining office or offices as if it or they had become vacant on the day after the close of nominations.*

Section 4.9 of the Act states:

4.9. Election day for extraordinary election

- (2) *The election day fixed for an extraordinary election is to be a day that allows enough time for the electoral requirements to be complied with but, unless the Electoral Commissioner approves or section 4.10(b) applies, it cannot be later than 4 months after the vacancy occurs.*
- (3) *If at the end of one month after the vacancy occurs an election day has not been fixed, the CEO is to notify the Electoral Commissioner and the Electoral Commissioner is to —*
 - i. fix a day for the holding of the poll that allows enough time for the electoral requirements to be complied with; and*
 - ii. advise the CEO of the day fixed.*

It is the CEO's preference, as to ensure correct procedure and timing is followed, is to seek a suitable date from the Electoral Commission.

At the time of writing the report, the Electoral Commission had been notified, but a response had not yet been received.

Section 4.20 of the Act states:

(1) Subject to this section the CEO is the returning officer of a local government for each election.

Whilst there is provision to appoint another person as Returning Officer, or declare the Electoral Commissioner to be responsible for the conduct of the election, it is the CEO's intention to be the Returning Officer for the extraordinary election. As per Section 4.21 of the Act, when the CEO is the Returning Officer, they must appoint one or more deputy returning officers.

Section 4.61. of the Act states

(1) The election can be conducted as a —

postal election which is an election at which the method of casting votes is by posting or delivering them to an electoral officer on or before election day; or

voting in person election which is an election at which the principal method of casting votes is by voting in person on election day but at which votes can also be cast in person before election day, or posted or delivered, in accordance with regulations.

Whilst the ordinary election had intended to be held as a postal election, of which the Electoral Commission were engaged to conduct at Shire's cost, it is proposed to hold a voting in person election for the extraordinary election, of which will be run by the Shire. The voting in person election has a smaller statutory timeframe, and therefore, depending on the response from the Electoral Commission, the election can be held earlier than if a postal election was to be held.

Section 4.37 of the Act states;

(1) An electoral roll is to be prepared for the election.

(2) If the district is not divided into wards the same electoral roll can be used for the election of an elector mayor or president and the election of a councillor or councillors.

(3) A new electoral roll need not be prepared for the election if —

(a) it is an extraordinary election the election day for which is less than 100 days after the election day for another election; and

- (b) the CEO, with the approval of the Electoral Commissioner, decides that the roll that was used for the earlier election is suitable for use at the extraordinary election.*

It is the CEO's intention to seek the Electoral Commissions approval to utilise the residents roll prepared for the ordinary elections, as this extraordinary election will have been conducted within 100 days from the date of the ordinary elections, being the 16th October 2021.

Comment

Council endorsement of the proposed format of the extraordinary election is sought as follows:

1. Council note the requirement to hold an extraordinary election and note the Electoral Commission, as per Section 4.9 of the Local Government Act 1995, will set a date for the poll to be conducted that allows enough time for the electoral requirements to be complied with;
2. Council endorse the Chief Executive Officer as Returning Officer for the next extraordinary election;
3. Council endorse holding the extraordinary election as a voting in person election.
4. Council endorse the CEO's intentions to seek the Electoral Commissions approval to use the same residents roll prepared for the 2021 Local Government Ordinary Elections.

34. Financial activity statement required each month (Act s. 6.4)

(1A) In this regulation —

committed assets means revenue unspent but set aside under the annual budget for a specific purpose.

(1) A local government is to prepare each month a statement of financial activity reporting on the revenue and expenditure, as set out in the annual budget under regulation 22(1)(d), for that month in the following detail —

- annual budget estimates, taking into account any expenditure incurred for an additional purpose under section 6.8(1)(b) or (c); and
- budget estimates to the end of the month to which the statement relates; and

- (c) actual amounts of expenditure, revenue and income to the end of the month to which the statement relates; and
 - (d) material variances between the comparable amounts referred to in paragraphs (b) and (c); and
 - (e) the net current assets at the end of the month to which the statement relates.
- (2) Each statement of financial activity is to be accompanied by documents containing —
 - (a) an explanation of the composition of the net current assets of the month to which the statement relates, less committed assets and restricted assets; and
 - (b) an explanation of each of the material variances referred to in subregulation (1)(d); and
 - (c) such other supporting information as is considered relevant by the local government.
- (3) The information in a statement of financial activity may be shown —
 - (a) according to nature and type classification; or
 - (b) by program; or
 - (c) by business unit.
- (4) A statement of financial activity, and the accompanying documents referred to in subregulation (2), are to be —
 - (a) presented at an ordinary meeting of the council within 2 months after the end of the month to which the statement relates; and
 - (b) recorded in the minutes of the meeting at which it is presented.
- (5) Each financial year, a local government is to adopt a percentage or value, calculated in accordance with the AAS, to be used in statements of financial activity for reporting material variances.

14.2.3 Amendment to 21/22 Schedule of Fees & Charges – Aerodrome Passenger Service Charge

File Reference	8.2.5.3
Disclosure of Interest	Nil
Voting Requirements	Absolute Majority
Attachments	Nil

Purpose of Report

Requests Councils endorsement of an amendment to the 2021/2022 Schedule of Fees & Charges to include additional items relating to Aerodrome Landing Fees.

Background

The adoption of the 2021/2022 Annual Budget included the adoption of the Schedule of Fees & Charges for the same financial year. The adopted schedule of fees & charges relating to the use of aerodrome facilities is limited to an annual landing fee for locally based aircraft owners and a per tonne landing fee for non-locally based aircraft.

Historically, landing fees have only been charge on aircraft who have filed a flight plan indicating the Southern Cross aerodrome is their destination. This has meant that many landings have gone uncharged as the flight has been of a purely local or private nature, ie. mining related geophysical survey and resource mapping flights originating and ending at the aerodrome and private flights either in transit or by a local pilot.

In May 2021 a trial of an Avdata Data Logger device was commenced. The data logger records both a pilot's vocal notification of their intent to approach and land at the Southern Cross Aerodrome and the aircraft's identifying transponder. This information is the sent to Avdata who invoices the registered aircraft owner the relevant landing fees.

Comment

The current Aerodrome fee structure only includes a per tonne (or part thereof) aircraft landing fee. This fee is intended as a way of recouping the cost associated with maintaining safe and suitable runway and apron facilities for aircraft, it does not include the operations and maintenance of the aerodrome's terminal facilities.

Operators of aerodrome facilities with terminals will usually charge a per passenger fee (PAX) for the use of these facilities. The following is an indication of what other Local Government authorities operating aerodromes with similar circumstances to the Shire of Yilgarn, ie. regular commercial or charter flights carrying paying passengers, charge:

Shire of Dundas

Details	Unit / Type	Fee	GST	Total
Disembarking & Departing Passengers	Per Passenger	11.82	1.18	13.00

Shire of Wiluna

Details	Unit / Type	Fee	GST	Total

Regular Passenger Transport (RPT) Services	Per Passenger	27.27	2.73	30.00
Charter & Other Services	Per Passenger	34.55	3.45	38.00

Shire of Ravensthorpe

Details	Unit / Type	Fee	GST	Total
Passenger Handling Fee				
Adult	Per Passenger	41.82	4.18	46.00
Child	Per Passenger	13.91	1.39	15.30

Shire of Meekatharra

Details	Unit / Type	Fee	GST	Total
RPT Services - In lieu of Landing Fees	Per Passenger	13.64	1.36	15.00
Regular Charter - Plus Landing Fees	Per Passenger	13.64	1.36	15.00

As an indication of the cost of the Terminal maintenance pre and post fly-in fly-out (FIFO) operations recommencing, the following information is presented:

YEAR	BUDGET	ACTUAL
2016/17	6,000.00	1,040.69
2017/18	2,920.00	597.41
2018/19	5,932.00	1,699.46
2019/20	4,724.00	9,564.60
2020/21	5,485.00	5,884.18

It will be recommended that Council endorse an amendment to the 2021/2022 Schedule of fees and charges to include a "Passenger Service Charge – Inbound & Outbound" of \$15.00 including GST in the Transport / Aerodrome section of the schedule. It will further be recommended that the proposed passenger service charge be introduced effective 1st of February 2022 as this will allow time for FIFO carriers to implement the charge within their current contracts.

 - (c) subject to section 5.94, providing information from local government records;
 - (d) receiving an application for approval, granting an approval, making an inspection and issuing a licence, permit, authorisation or certificate;
 - (e) supplying goods;
 - (f) such other service as may be prescribed.
- (3) Fees and charges are to be imposed when adopting the annual budget but may be —
 - (a) imposed* during a financial year; and
 - (b) amended* from time to time during a financial year.

6.19. Local government to give notice of fees and charges

If a local government wishes to impose any fees or charges under this Subdivision after the annual budget has been adopted it must, before introducing the fees or charges, give local public notice of —

- (a) its intention to do so; and

14.2.4 Amendment to 21/22 Schedule of Fees & Charges – Standpipe Water Charges

File Reference	8.2.5.3
Disclosure of Interest	Nil
Voting Requirements	Absolute Majority
Attachments	Nil

Purpose of Report

Requests Councils endorsement of an amendment to the 2021/2022 Schedule of Fees & Charges to update standpipe water usage charges.

Background

The Water Corporation has recently increased the cost per kilolitre for water dispensed from Council's network of public standpipes from \$8.00 per kilolitre for high flow (40mm and above) to \$8.995 per kilolitre or an increase of 12.4%. The cost of water dispensed from low flow (below 40mm) standpipes has increase from \$2.50 per kilolitre to \$2.729 per kilolitre or an increase of 9.1%.

Additional to the per kilolitre cost of water, Council charges an additional \$0.50 to alleviate the administrative and maintenance costs associated with the Shire's standpipe network.

Comment

Council currently maintains a network of 14 standpipes, these include 12 high flow outlets and 6 low flow outlets.

14.3.1 Disposal of Councils two existing 2010 *HaulPro* Tandem Axel Side Tipping Trailers

File Reference	6.6.5.13
Disclosure of Interest -	Nil
Voting Requirements –	Simple Majority
Attachments -	Nil

Purpose of Report

To consider the disposal of Council's two(2) x 2010 *HaulPro* Tandem Axel Side Tipping Trailers

Background

In Councils 2021-2022 Financial Year Budget an income amount of \$35,000 per trailer has been allowed for the disposal of council existing 2010 *HaulPro* Tandem Axel Side Tipping Trailers (asset numbers 1865 and 1866)

Comment

The two 2010 *HaulPro* tandem axel side tipping trailers will become surplus on the arrival of two new Howard and Porter side tipping trailers. Council endorsed to purchase two Howard and Porter side tipping trailers at its Ordinary Meeting of Council's held in March 2021 in the 2020-2021 Financial Year. It is expected the new Howard and Porter side tipping trailers will be arriving mid to late November 2021. At the March 2021 Council was also advised that there would be a lengthy waiting period for the new trailers as a result of manufacturing back log and parts availability due to the COVID pandemic.

"42/2021

Moved Cr Close/Seconded Cr Cobden

That Council accepts the quote submitted from Howard and Porter for the purchase of two side tipping trailers for the quoted cost of \$198,540.00 (excluding GST),

and

That Councils includes a monetary amount in the 2021-2022 Financial Year Budget deliberation for the purchase of the two side tipping trailers.

CARRIED (7/0)"

In accordance to Councils Finance Policy 3.5 Purchasing and Tendering and the Local Government Act 1995 Section 3.57 Tenders for Providing Goods and Services (1) and 3.58 Disposing of Property (3), Tender 4/2021-2022 was advertised in Saturday's 18th September

edition of Western Australia and local Crosswords with the closing date on Monday 4th October 2021.

The following tenders were received for the outright purchase of the two (2) 2010 *HaulPro* tandem axel trailers (*GST inclusive*):

Smith Broughton Auctioneers	\$110,000.00
B & RM Quadrio & Son	\$92,400.00
Apache Investments Australia Pty Ltd	\$88,000.00
R & E Nicholson & Son	\$70,400.00
WA Machinery Brokers	\$66,000.00
WE & D Maddock	\$66,000.00
Manheim Australia	\$60,000.00

As it can be seen from the above the tender submitted by Smith Broughton Auctioneers of \$110,000 (*GST inclusive*) is by far the better outright purchasing price for councils existing two 2010 *HaulPro* tandem axel side tipping trailers, with the next best being from a local supplier B & RM Quadrio & Son of \$92,400 (*GST inclusive*)

If council was to apply its Regional Price Preference Policy of 10% to suppliers located within the Shire of Yilgarn, there would still be a short fall of \$7,600 to the closers tender price submitted by B & RM Quadrio & Son.

In the condition of sale for the purchase of the side tipping trailers, companies submitting tenders have been advised that the tendered vehicles are current working vehicles and will not be available to the successful tenderer until a replacement vehicle has been sourced and delivered to Shire of Yilgarn

Purpose of Report

To consider a response to the Department of Planning, Lands and Heritage – Lands Division, regarding an application for exploration licence 77/2334 over portions of reserves 19577, 19578, 20161, 20937, 21086 and various ucl lots within the Shire of Yilgarn.

Background

The Shire has received email correspondence from the Department of Planning, Lands and Heritage – Lands Division, which states:

Department of Planning, Lands and Heritage, Land Use Management (Department) has received a request from the Department of Mines, Industry Regulations and Safety (DMIRS) for consent to mine over 19577, 19578, 20161, 20937, 21086 and UCL lots within the Shire of Yilgarn.

Exploration Licence 77/2334 has been requested by DMIRS on behalf of Edna May Operations Pty Ltd.

The parcels of land that are subject of the above proposal are depicted on the attachments Tenure Maps and Aerial Map attached.

To facilitate this request further, please advise me of any objections or comments that the Shire of Yilgarn may have regarding DMIRS request.

Comment

Limited details have been provided to the Shire at this stage. None of the reserves listed in the exploration license are vested with the shire and the Department of Planning, Lands and Heritage are currently the responsible agency.

It should be noted, DPLH's approval, if granted, will be conditional on DMIRS liaising with relevant landowners, prior to the licence being issued.
