# Prohibited Areas Exhibition

## An exhibition about the 1936 Prohibited Areas proclamations in the Goldfields region

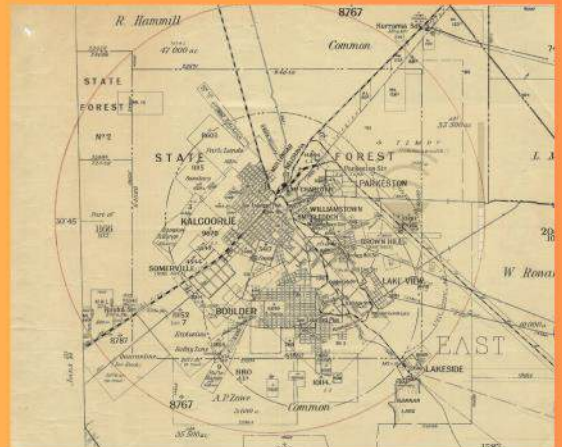

The Prohibited Areas Proclamations are a part of Western Australia's hidden colonial history. Government proclamations were passed which prohibited Aboriginal people from within 6 miles of the town hall of many Goldfields towns and settlements, unless employed. These proclamations caused a great deal of distress as Aboriginal families tried to obtain food, water, health care and housing.

# Yilgarn Agricultural Society

The Yilgarn Agricultural Society would firstly like to sincerely thank our Community and surrounds for coming along and supporting your Yilgarn Agricultural Show that was held on the 31st August, without your support we don't have a Show. As a Committee we are working hard to keep the Show going and not have this historical event close down, so thank you, we needed your attendance this year and you didn't let us down, as the attendance was up this year.

We also thank the many people that put entries in, and the Schools for putting their hard work in, this is also an important part of the Show and something that is being lost at other Shows. You go the extra yards to enter your work and it is a great testament to our Community that you get involved as much as you do. Congratulations to all those that won for their work.

We must thank our own Yilgarn Shire for their immense help with being a Major Sponsor, monetary wise, and, with help over the weeks leading up to Show Day especially the week of the Show, this Show was especially trying for them due to the Complex works going on and the extra work that entailed. None of this is lost on us and we very much appreciated your help. Without this help it would be very difficult to have this Show.

Thank you to Anne Hanretty for always being there to help us out on Show Day, I know this year was especially trying for you having to clean around a worksite leading up to, and then, on Show Day keeping portaloos clean! We appreciate your help every year, you're the best.

Thank you so much to all our volunteers, our Gatekeepers, Stewards, and Judges, you're always there to count on, I sincerely thank you for making my life easier and saying yes. My kitchen helpers Shona and Angela, you kept me sane, and Milli for being an all-around helper for me for 4 days, this help is very important to me personally and I thank you all very much. Thank you so much to all our trophy donors, you know who you are, and you support the Show and the entrants every year and I thank you very much.

To all the guys that helped Rolie over the 4 days, thank you this means a lot to him and to us.

Thank you so so much to Lyn Price, Chief Hall Steward, Lyn sorts the whole entries hall out etc, it's a big job and I can't thank her enough for her help and knowledge.

Thank you so much to Rolie Blair, our Chief Groundsman, for being there for the Agricultural Society over many years but helping us over the last 5 years it's been great to have you with us and to have your expertise, even though the last couple of years you have been living in Perth you have gone out of your way to help us still.

Anthony Carnicelli, thank you, thank you, for being there for the Agricultural Show, and for us, we couldn't do it without your assistance and support.

Thank you so much to James Steel for helping us and becoming our Chief Wool Steward, we appreciate your help and knowledge no end.

To my Niece, Monica Fairless, Monica took on the Entries Secretary this year and we are very grateful to her as this is another big job. We enjoyed our few days with you Moni, working side by side and we really hope we can do it with you again next year, please, lol.

Thank you so much to our Secretary/ Treasurer, and my daughter, Shannon Carnicelli, for taking on so much, especially this year with everything that has gone on with our Carnicelli/Fairless/Harding Family, and, helping run a business, you and Moni have had so much on but you both contribute so much to the organisations you are a part of.

I would like to sincerely thank Sandra Ciabbarri for organising our bar again this year, even though you couldn't be a part of it on the night. We had the awesome Michelle Spencer and Rebecca Guerini volunteer behind the bar this year, it was disappointing we had no more volunteers to assist you both but you both rocked it anyway, thank you.

To our Major Sponsors, Mineral Resources, Covalent Lithium, Red Dog Mining, Thiess, The Shire of Yilgarn, Ramelius, thank you, it's because of these Companies that we can offer the Community free Amusement Rides in

order to take the monetary pressure off families. I don't think I can put it into words how grateful we are to have all these Companies support us and our Community, it just takes so much pressure off in order for us to put on a great family day out for our Community and then have such great fireworks for everyone to enjoy in the evening. Thank you so much.

Covalent Lithium managed to get Bluey to attend on the day, which brought so much delight to the kids. They also had a colouring-in Competition of which 6 children won and received a \$50 voucher each. Barto Gold and Thiess had many giveaways at their tents and there was much going on, everyone was lovely and let's not forget the Men's Mental Health Tug of War that was hotly contested with Barto Gold defending their title this year taking it out again. We had a couple of teams cancel at the last minute but it worked out in the end. We had a trophy and medals for the winners and Yeah Mate hats for second place, which were very popular, and we had a few come up after and ask if they could get one. Yeah Mate Apparel donated these hats and we are very thankful to them for supporting a great cause that's also close to their hearts, Men's Mental Health, look them up online at Yeah Mate Apparel Co, they have great items for a great cause. We wish to thank Barto and Covalent Lithium who let these guys come in from the Minesites, knocked them off early, in order for us to hold our Men's Mental Health Tug of War, we know it's a big ask of you and we very much appreciate you both supporting us. Next year we hope Barto Gold defends their title again, anyone can join in, get themselves a team, to bring awareness of Men's Mental Health in the Regional areas and have fun while doing it.

Thank you so much again to Gary Kenward for giving of his time to host the Men's Mental Health Tug of War, you're the best, you have a way with words and you do it so well.

We also wanted to let everyone know that we apologise we didn't have Show Bags this year, we did have a truck coming but the truck had mechanical issues two days out from the Show and we tried to get another one but it was too late notice. We realise the importance of Showbags on Show Day but this was out of our hands.

To our local Sponsors, Marvel Loch Pub, BP Southern Cross, Southern Cross Motel, Palace Hotel, Thomson Drilling, The Club Hotel, St Fire Ball, Leonie Gethin, The Southern Cross Anglican Op Shop, Goldfields Crane Hire, Bob Panizza, we thank you so much for your support of the Yilgarn Agricultural Show, we very much appreciate your help.

Thank you to all the Stall Holders and food vendors that came to our Show, we appreciate the effort and hope very much that you made some money.

Thank you to the Machinery Companies, Hutton & Northey, AFGRI, Macintosh & Sons, it's at a great cost that they bring this machinery to our Show and we are very grateful to them for continuing to support us and also to Goldfields Crane Hire for bringing your Crane to the Show, I thank you so much, it means a great deal to me that you came on board this year.

We were very happy to have the Southern Cross Police at our Show this year with a Stall, thank you so much for being a part of the day and for escorting our parade.

And as always thank you to the Southern Cross Firebrigade who give their time every year to be in the parade and to come back and keep everyone safe from when the fireworks start and finish.

Thank you to the Southern Cross Ambulance for being a part of the parade it was great to see you there.

We also want to sincerely thank Tania Darby-Gethin and her amazing Boots and Scoots Bootscooters for entertaining us again this year, we love having you be a part of our Show.

Thank you all so much,

Please hold the date for next year and we hope to see you all again for your 2025 Yilgarn Agricultural Show on the 30th August.

Alison Carnicelli  
President

# Pioneers of Yilgarn

## Stage 1.

Citizens who built this district between years 1887 and 1914

**McIntyre, Archie:** McIntyre was Yilgarn's most controversial and valued citizen between 1900 and 1920. He was a chemist by trade but a journalist by inclination, joining a consortium of businessmen to establish Southern Cross Times newspaper in 1900. Over the years, 'Bullant' McIntyre acquired a reputation for his vitriolic pen and court appearances charged with libel. He was also a Municipal Councillor with good ideas, but lacked the tact to get things done. He made two attempts to get into parliament and it is fortunate for other politicians that he failed. He also dabbled in mining and owned several leases. He believed in Yilgarn and invited entrepreneurs to come and see what the district had to offer, driving them around at his own expense. His death aged 49 was acknowledged at a sitting in parliament as a loss to the gold industry. McIntyre may not have been perfect, but he stands out for his deeds and fighting spirit promoting his town. ©Lance Stevens
