Round One Vs Bruce Rock in Bruce Rock

As we waddled our way down to Bruce Rock for round one. You couldn't have asked for a more perfect day for Cricket.

Bruce rock won the toss and chose to bat on what looked like a batting wicket. But with a light shower of rain in the early hours of the morning sure did liven it up. Our opening bowls started the year off well, with Nick Walsh pressure from one end and Andrew steel removed the top order like it's lunch. After drinks the wicket really started to come into play with the professor Kyle Kay's taking 3-22 off his 9 over spell. The Hamburglar Steel did his thing with the bowl picking up a few. The boys feild unbelievably, Mitch Thompson taking a few catches and also saving plenty of runs. Gerry for saw the future, kinda. Juddy Della Bosca finding his niche in the Feild at midwicket and the efforts of Taylor Berry who made his debut for the Yilgarn today. Bruce rock got away a little on the runs later in the day and posted a solid score of 135. Good score, we knew it was going to take our best!

The Yilgarn went out to bat on a tricky wicket and unfortunately lost Andrew crafter earlier to beauty! Max collins and Andrew Steel battled hard to get us back in a good position but Bruce rock bowling well, they managed to break the Steel and Collins partnership and shortly later removed Kyle Kay's and Gerry Hays in the middle order. Jack bloxsome being promoted up the order due to hard work and dedication, Jack managed to score his first boundary in cricket and the celebration was sure one to remember and brought a smile to everyone's face, judd della also adding to the boundary tally with his first in cricket. With 15 overs left in the day and bruce rock needing one wicket win! Bruce rock were keen to hit the beers and celebrate the win but Shane Collins and Nick Walsh had other ideas. The pair batted the last 15 overs and saved us from being bowled out! This is just another little win for our cricket club. The fact we didn't give up until the last bowl shows how far we have come in such a short time of being in the competition. We finished off our innings. 9-75 Shane Collins adding 6* runs off 40 balls and Nick Walsh adding 9*runs off 43 balls

Although we didn't win, we had enough little wins to be proud of ourselves. We bowled a team out, we survived being bowled out and the future is bright for the Yilgarn cricket club. Looking forward to seeing everyone next weekend for our first home game vs Kulin/Kondini.

Round Two Vs Kulin Kondini at Home

For our first home game of the season we took on Kulin Kondini. As always, the oval was looking fantastic and looked to be another perfect day for cricket in the Yilgarn. Steely won the toss and soon later found himself padding up with his brother Andrew to open the batting. We love a good steel batting partnership and the boys got the runs flowing early and looked to be settled for a nice opening partnership. After a 54 run partnership James lost his wicket and not to long later Andrew was out too. Big Tuna Morne Du Randt on debut for the club show his intent nice and early but didn't hang round long. Big Josh Della and Fatty Collins got the boys to drinks but didn't last long. Nick Walsh, probably the coolest man in cricket batted with his young tail Enders, learning and nurturing them to bat out our 45 overs. Mitch Thomson hang around for a while to get some time with the bat Toby hilder also showing improvement with the bat. Not as many runs as we would have hoped for but super proud of batting out our overs yet again! Finishing our inning 8-89 off 45 overs 🏏

Special mention to Jack Bloxsome, Tahlor Berry and Jayden Fernell who fielded for kulin Kondini. Jack Bloxsome saving plenty of runs in the Feild for Kulin Kondini. These young fellas just love cricket. ❤️💙

The coolest man in cricket took the new ball and was ever economical early. Once Andrew found his rhythm he was first to strike with a wicket. With another Steel partnership but this time with the ball, James joined the party with a few wickets

Along with Jayden Fernell. Mitch Thomson not letting anything through the covers. Kulin kondini looking to get it done before drinks but the Yilgarn took wickets and Fielded well. Kulin getting the runs in 24.1 overs. Finishing 6-90 off 24.1 overs

Yilgarn 8-89 off 45 overs 📊

- Involvement in feasibility assessments, compliance, offset reporting and audits.
- Management of farm maintenance activities and overseeing contractors and on-the-ground activities.
- Provide input into procedures, work programs, internal guidelines and templates to deliver a governance framework.
- Regular engagement with stakeholders including pastoral lease holders, farmers, Shires, Traditional Owners and native title holders in the development and furthering of carbon projects.
- Undertake project activities in the field, in regional and remote areas.

Our successful candidate will be a team player with a high level of initiative, self-motivation, and enthusiasm, bringing to the role demonstrated capabilities in previous agriculture and project management roles. In return, we're offering a generous remuneration package and a positive working culture where a focus on safety, respect, collaboration, integrity, innovation and excellence drive how we do business.

To be successful in this role, you'll possess some of or all the following skills and experience:

- Tertiary qualifications in agribusiness, environmental, agricultural, soil science or related discipline.
- Ability to communicate effectively with a range of stakeholders including farmers, pastoralists, Government agencies, contractors and in some instances native title holders.
- Demonstrated proficiency in GIS systems (ArcGIS)
- High level of written and verbal communication skill including reporting.
- Demonstrated interest in restoration ecology, reforestation and healthy landscapes.
- Current C class driver's license and experience and willingness to undertake field work.
- Experience in the carbon industry or carbon methods would be advantageous, but not essential.

Please send queries and applications to hr@mepau.com.au.

Pioneers of Yilgarn

Stage 1.

Citizens who built this district between years 1887 and 1914

McPherson, Gillies: McPherson was the discoverer of gold at Hopes Hill, which he named after his sponsor Doctor Hope. A small township blossomed to house the workforce. Gillies worked the deposit for a short while but moved on to chase gold when the place got too civilized. He loved the outback. On one occasion he became so demented with thirst he handed his revolver to his native guide and begged to be shot. Instead the native tied him to his horse and got him back to Southern Cross. His knowledge of the eastern country was used by Arthur Bayley to discover Coolgardie. After the death of his wife through childbirth, Gilles went to the Yukon in Canada chasing gold, but died in a snowstorm. Ironical after what he endured in the outback of WA.

“ As a GP working in the Wheatbelt since 1998 I have watched this country become significantly worse.

The main parties all seem to be taking us down the wrong path, and it's time for us to fight for what's right for all of us.

If you'd like to meet up please get in touch. The election is on 8th March, so let's get ready.
