LET'S KEEP OUR DOGS SAFE AND HAPPY!

As responsible dog owners in Western Australia, it's crucial to understand the importance of keeping our furry friends on leashes and in designated areas. Not only does it ensure their safety, but it also helps maintain harmony in our Shire! Here's what you need to know about leash laws and how we can look out for each other.

01.

Why leash laws matter

Safety First: Keeping dogs on a leash prevents them from running into traffic or getting into dangerous situations. It also protects other pets and people from unexpected encounters.

Designated Areas: The Shire of Yilgarn has three designated dog exercise areas: Southern Cross Dog Exercise Area (behind outdoor courts at oval), Southern Cross Dog Park (fenced) & Marvel Loch Exercise Area (sports oval). Dogs are permitted to be unleashed in these areas provided they can be controlled by command.

Legal Requirements: In WA, the Dog Act 1976 mandates that all dogs must be under control in public spaces. Failing to do so can result in fines ranging from \$200 to \$5,000!

LET'S KEEP OUR DOGS SAFE AND HAPPY!

02. Know the rules

Leash It Up: Always keep your dog on a leash when in public spaces unless you're in a designated off-leash area.

Dog Exercise Areas: Familiarise yourself with local regulations regarding the Shire's dog parks, ensuring you're following the rules for off-leash play.

Respect Others: Not everyone is comfortable around dogs. Keeping your dog leashed helps everyone feel safe and respected.

Owner's Responsibility: You must ensure your dog

- Wears a collar displaying your name, address, and the Shire's registration tag when in public places
- Is microchipped

03.

How we can help each other

Be Aware: If you see a dog running loose or not on a leash, kindly remind the owner of the rules. A friendly nudge can go a long way!

Share Information: Educate fellow dog owners about the importance of leash laws and designated areas. The more we talk about it, the safer our community becomes!

Report Issues: If you notice repeated violations or aggressive behaviour, report it to the Shire of Yilgarn and/or the Ranger for the safety of everyone involved.

Let's work together to ensure our dogs can enjoy their time outdoors while keeping our Shire safe and welcoming!

LET'S KEEP OUR DOGS SAFE AND HAPPY!

04.

Found a wandering dog?

First priority is to **ensure it is safe** for you to approach. If it is safe to approach, please secure and follow the steps below. If you are not in a position to be able to secure the dog, **immediately contact the Shire and or Ranger to report the location** of the dog with a description.

The more details you can provide, the better, e.g., sex, collar colour (with any tags), dog size, breed, and colour/markings.

1. Contact the Ranger
2. Photograph the dog and place photo on social media (please ensure you update the original post as necessary).
3. Should a member of the public respond to your post, please ask them for evidence of ownership e.g.; photographs or registration.

Please note the following facts on wandering dogs;

1. Rangers do not euthanise rehomingable dogs
2. Unclaimed dogs are rehomed through rescue groups
3. Microchipped dogs are held for a minimum of 7 day (often longer)

The first place owners contact for their missing pet, is the local Shire. Not everyone has access to social media.

Please note that the Shire and Ranger do not monitor social media pages, **if you find a dog wandering please contact the ranger.**

05.

Infringements

Dog Owners that do not comply with the regulations may be issued with an on the spot fine.

\$200 Infringement

- Allowing a dog to access unleashed in an area that is not a designated dog exercise area.
- Unregistered dog.
- Dog not microchipped.
- Failure to ensure dog is microchipped.
- Keeping more than the allowed number of dogs.
- Dog not wearing a collar with attached registration tag.
- Dog not held/tethered in certain public places
- Failure to control dog in exercise and dog parks.

Pioneers of Pilgarn

Stage 1.

Citizens who built this district between years 1887 and 1914

Reilly, John: Editor and publisher of Southern Cross Herald newspaper, who died of typhoid in 1895.

Reilly repeatedly plugged for better sanitation through his editorials, pointing out that filthy Southern Cross was contributing to the typhoid epidemic.

Little knowing that he would become a victim. The Herald was owned by his family, Reilly and Reilly of Northam; it closed upon his death. Newspapers were important as the only way to reach the people, before radio.

REVEGETATION FUNDING AVAILABLE!

Thinking about starting a revegetation project on your property?

The **Protecting the Eucalypt Woodlands of the WA Wheatbelt** project is offering funding support for revegetation efforts that benefit or buffer remnant eucalypt woodland patches.

Keen to get involved? Our project officers are already on the ground kicking off the first round of projects - if you'd like to take part, make sure you get in touch before **June!**

Applications close on the 30th of May, so be sure to get your application in as soon as possible. Please **visit our website** or **contact Kate at ksherlock@wheatbeltnrm.org.au** for more information.
