On Friday 28th February the Shire of Yilgarn proudly presented Marty's Party to the community for the low cost of a gold coin entry. Around 90 people attended.

The Marty's Party crew started their regional WA tour here in Southern Cross treating the audience to a crazy, chaotic laughter filled evening as Marty Putz performed magic and comedy that had everyone, both young and old in stitches.

Audience participation was encouraged and expected throughout the performance with several people plucked from the crowd to become part of the show and stars in their own right!

A big thank you goes to Marty and his crew as well as Country Arts WA for providing such fantastic entertainment to regional WA.

Museum donation - a silver plated sugar scuttle.

Come along and see our latest treasure – a 112 year-old sugar scuttle.

In January 1905 members of Southern Cross Rifle Club competed for a trophy, a silver plated sugar scuttle with shovel, donated by D L Burns and won by E McKay.

Years later this sugar bowl ended up in a second-hand shop in Midland, where it was bought by a lady with no connection to Southern Cross, and passed down through her family as time went by.

Thankfully the present recipients, Geraldine and Steve Rees of Greenmount, could see its historical value, and donated it to Southern Cross Museum, saying it was a privilege to have been the custodian of an item of such historical heritage, and wish to return it to its rightful place. We are grateful for Geraldine and Steve's keen sense of history: Thank you.

The donor of the trophy, David Burns, owned the Commercial Hotel, which was situated on the block behind Kevin Collins' house. Burns advertised as having the most capacious brick hotel in town and an excellent place for recuperating health, as the district is famous for its fine bracing air.

E McKay, the winner, worked on Hopes Hill mine, which was booming at the time.

Rifle shooting was popular in the days before motor cars. The remains of Southern Cross rifle range is still clearly visible north/west of town, and had only been in use for a few weeks when the sugar scuttle was competed for.

Come into the Museum and have a look at our treasure.

ST JOSEPH'S SCHOOL PARTICIPATE IN THE NATIONAL RIDE2SCHOOL DAY

On Friday 17th March, students from St Joseph's School participated in the National Ride 2 School Day. The day began with students making a healthy choice to ride their bikes to school instead of arriving by car. It was encouraging to see so many of the students and teachers joining in.

National Ride2School Day is the perfect opportunity for Australian students and school communities to embrace a healthier start and to try walking and riding to school for themselves. National Ride2School Day is the flagship event for the Ride2School program and Bicycle Network. With more than 2,000 schools and 350,000 students taking part each year, it's a day for celebration.

Over the past 40 years the number of children who are physically active everyday has significantly dropped. Today, levels of physical activity are at an all-time low. In the 1970s, eight out of ten students rode or walked to school. That number has dropped to just two out of ten. Sadly, Australian kids are now spending up to 16 hours of their day in front of a screen.

#PLEASEHELPMEQUIT

When we asked smokers what was the main reason their quit attempts had failed, the most common answer by far was friends and family smoking around them.

Last month Make Smoking History (MSH) launched the **brand new WA-made campaign 'From Every Quitter'**. The campaign features a diverse group of twelve Western Australians who have recently quit smoking or are currently attempting to quit. In the television advertisement each person delivers an authentic heartfelt plea directly to camera, asking smokers, "If you can't quit with me, don't smoke around me."

'Seeing other people smoke' was uncovered as a key trigger to light up by smokers involved in focus group research that was commissioned by Make Smoking History in November 2015. The same study, found that having loved ones who smoke was the number one barrier to quitting smoking for both males and females. This campaign aims to help people on their quitting journey by rallying the support of their friends and family, especially those who continue to smoke. It will run throughout WA until Saturday 6 May 2017.

Research shows that 2 out of 3 long term smokers will die from their cigarette addiction, ie of the 257,000 adults in WA who smoke, 171,000 will die due to their smoking habit; every day approximately 50 people are admitted into hospital due to tobacco smoking and 1,600 (4 people per day) die from tobacco use every year in WA alone.

Now is as good a day as any to quit. There is help out there. Talk to your GP or call Quitline on 13 78 48, visit makesmokinghistory.org.au for information and resources or contact the Wheatbelt Cancer Council WA office or your closest Public Health Unit for any local quit smoking courses."
