DRIVER REVIVER – CHRISTMAS 2017

Once again, the Driver Reviver Van was back in business before and after Christmas. This year the Van was in operation for a total of 18 hours with having 11 vehicles stopped and providing refreshments for 22 drivers and passengers.

On behalf of the HAY Committee, I wish to thank Robert Bosenberg and the Shire Workers for getting the Van in place for us and for organising our signage, Bernie's Mobile Mechanical Service for allowing us to use their power and water, SX Hardware & News for allowing us to leave the roster and the advertisement, George Boso from the Water Corp for the bottles of water, the CRC for the advertising in the Crosswords and if I have left anyone out I apologise but we are very thankful to you as well.

Most importantly, the Driver Reviver wouldn't be successful without the generous time given from our volunteers. I wish to thank Glenice Divitini, Laurita Symes, Josephine Pollard, Vera Carlson, Shelley & Rolie Blair, Robin & Lance Stevens, Anne Carnicelli, Adele & Cheryl Auld, Diane Della Bosca, Pat Dal Busco and Pat & Lisa Boso.

Even though a lot of work goes into organising this project it truly is worthwhile if it means that small break saves a life out on the road.

Pioneers of Pilgarn

Stage 1.

Citizens who built this district between years
1887 and 1914

Hay, Mary: Came to Southern Cross with her husband and family in 1894. Mrs Hay was a midwife who ran her own hospital, delivering babies under primitive conditions. She was held in high esteem by the community. The family left in 1908 to take up farming land at Burracoppin.

Henderson, George: Came to Southern Cross in 1903 and worked as a carrier and contractor and wood yard operator. He loved sport and at 6 feet 6 inches was a formidable opponent. He was also captain of the fire brigade for many years. His family consisted of five girls and one boy, all marrying local people and remaining in the district. Later, George commenced a taxi service, his black sedan a familiar sight around town. His funeral in 1948 was the largest seen at Southern Cross.
