LANDFILL CHANGES

Please be advised that the Southern Cross Rubbish Transfer Station, located on Southern Cross South Road, is due to close at the end of March 2018.

From April 2018, all rubbish is to be taken to the Southern Cross Landfill Facility. The landfill access road feeds off Southern Cross South Road, approximately 4.6km's south of the Great Eastern Highway intersection.

The closing of the transfer station will result in significant savings for the Shire and ratepayers by eliminating transport costs between the transfer and landfill sites.

The landfill facility will be a staffed site, please ensure you follow directions from the attendant for your safety, and the safety of others using the site. To ensure costs are kept to a minimum, the operating hours for the site will be restricted.

LANDFILL OPENING HOURS

The opening hours for the new landfill facility are as follows:

Monday:	Closed
Tuesday:	12:00pm to 5:00pm
Wednesday:	Closed
Thursday:	Closed
Friday:	12:00pm to 5:00pm
Saturday:	1:00pm to 4:00pm
Sunday:	8:00am to 11:00am

Residents will not be charged for depositing residential waste at the site during opening hours. Please make sure you bring with you some form of identification that shows you are a resident of the Shire of Yilgarn.

Commercial operators will be charged as per the fees and charges; these are available on the Shires website www.yilgarn.wa.gov.au. There will be no money transactions onsite; all commercial operator payments will be via pre-payment or invoicing.

Bulk cardboard and comingled recycling bins will still be located at the Southern Cross Sports Grounds for use at any time.

The Shire is undertaking a trial for the first three months of the changes, with your feedback welcomed. A review will be undertaken of the first three months, after which Council will again consider opening times. Should you wish to provide feedback, please email mrs@yilgarn.wa.gov.au or write to the Shire with the heading "Landfill Comments".

Your cooperation during this transition phase will be appreciated. This is a necessary step in reducing rubbish and landfill costs to ratepayers.

Hatton, Annie: Annie and her husband ran the Mount Jackson hotel for a number of years. When her husband died in 1906, Annie took over the hotel license and continued operating. This displayed the courage of the young woman, living in a male dominated mining settlement with the closest town being Southern Cross 100 miles away. The local paper lamented that a new workforce was needed at the mine as men had given way to the drink.

Meningococcal vaccine for 1-4 year olds

A FREE vaccination to protect against meningococcal strains ACWY is being offered to all children aged 12 months to less than five years.

Meningococcal disease is an uncommon, but sometimes life-threatening illness. At any one time, about 10 per cent of healthy people carry meningococcal bacteria harmlessly in their nose or throat and do not become ill. To reduce the incidence of meningococcal disease among this vulnerable age group, a free vaccine will be available throughout 2018.

Contact your local GP or Child Health Clinic to schedule an appointment for your child/children to receive the vaccine.

FOR IMMEDIATE RELEASE

Thursday 15 February 2018

SOUTHERN CROSS WELCOMES NEW OUTDOOR FITNESS EQUIPMENT

Kyle McGinn MLC today opened the new Southern Cross Outdoor Fitness Centre funded by the State Government and Shire of Yilgarn.

The centre came about in collaboration with district high school students and the school council, with the aim to improve physical activity options for young people. Fourteen free, accessible outdoor gym equipment items have now been installed at the Southern Cross recreation precinct for all residents and tourists to use.

Southern Cross residents will soon be invited to attend a come-and-try day with a personal trainer to demonstrate how to use each piece of equipment. This will be in conjunction with easy instructions listed on panels installed on each item.

Mr McGinn welcomed the initiative in his opening speech at the event today.

"We all know how an active lifestyle can significantly boost people's health and wellbeing," he said.

"Investment in outdoor fitness areas like this encourage physical activity and social cohesion, and enhance the liveability of our regional communities.

"The McGowan Labor Government is committed to supporting healthy communities in every part of Western Australia."

"Congratulations to the Shire of Yilgarn and members of the community, seniors and young people alike, for working together on this project.

"I look forward to seeing the community benefit from this infrastructure."

For further information please contact the Kalgoorlie office of Kyle McGinn MLC. Details listed above.
