

# CROSSWORDS \$1

## BE INSPIRED TO CAPTURE A PHOTO STORY.

This 3 hour workshop will give you the tools and inspiration you need to go out and start a photography project. By creating a photo story, you have the opportunity to put into practice different photography genres such as portraiture, documentary, capturing action and detail plus you will learn to edit and order your images into a coherent story.

Create a photo story to vividly capture events in your life. Showcase regional daily life, local characters and seasonal events in your community. What is going on in your backyard? Learn new skills. Meet new people and be part of a community event.

How can you capture atmosphere and real emotion?

How does lighting effect the mood of your photos?

What types of images help make a coherent story?

What are some helpful tips for photographing people?

Apps and creative programs and much more.

No prior photography experience is necessary. Expensive camera equipment is optional. If you would like to use your smart phone go ahead! You will probably surprise yourself.

One of the aims of this workshop is to inspire community members of all ages, abilities and walks of life to create a photo story using the cameras and devices available to them.

It doesn't matter whether you are shooting on a DSLR or a smart phone, you can all capture memorable images that tell a story. This workshop is all about learning by doing and having a creative project with an end result.

### *Message from the Shire President*

It gives me pleasure to present to the residents and ratepayers of the Shire of Yilgarn the 2019/2020 Budget that was adopted by Council at its Ordinary meeting held on Thursday, 15 August 2019.

The development of Council's Budget is not an easy task and every effort is made to continue to provide the services that our ratepayers and residents expect without increasing rates to an unacceptable level. I believe that Councillors and staff have again delivered a measurable and responsible Budget for the 2019/2020 financial year.

Rate increases in this Budget have been set well below the current CPI with Council applying an average 0.5% rate increase across all GRV and UV areas. As UV ratepayers would be now well aware, due to annual revaluations undertaken by Landgate, some ratepayers will receive an increase in their rates beyond the 0.5%, which is purely based on their valuations increasing accordingly. Unfortunately, Council has no control over the valuations set on properties but if ratepayers feel aggrieved with their valuations, they do have the right to appeal with appropriate information detailed on the Rate Notice.

Whilst continuing to provide the normal annual service provisions such as maintaining Council's buildings, road network, parks and gardens etc., the 2019/2020 Budget has a number of significant projects in the coming year which are detailed below:-

- \$4.3M redevelopment of the Southern Cross Swimming Pool. This will see a brand new facility to replace the existing 50 plus year infrastructure.
- \$60,000 for the implementation of a Rural Numbering System (RNS). The RNS is an initiative to improve emergency response times to rural properties that is strongly supported by WA Police, St. John Ambulance and Department of Fire and Emergency Services.
- \$28,000 for the installation of automatic doors and new cabinetry at the Southern Cross Medical Centre. The installation of automatic doors ensures that Council is meeting its Disability Services and Inclusion Plan objectives.
- \$80,000 for renovation works to 2 units and adjoining en-suite at the Southern Cross Caravan Park's Sandalwood Lodge.
- \$302,000 for Stage II of the asbestos roof removal at the Yilgarn Recreation Complex.
- \$106,000 for external wall repairs and installation of an Ambulant toilet at the Yilgarn History Museum.

- 
- \$50,000 for purchase of new playground equipment at Constellation Park.
  - \$28,000 for upgrading works to the Southern Cross and Marvel Loch Sewerage schemes.
  - \$30,000 as a contribution to the Moorine Rock Tennis Club's synthetic tennis courts at a total cost of \$75,000.

The Shire of Yilgarn has always prided itself on its fleet of modern plant and equipment in order to maintain its vast network of roads and in the 2019/2020 Budget, \$923,500 has been allocated to purchase the following major pieces of plant with a trade-in value of \$266,000, giving a nett expenditure of \$672,000:-

- \$236,000 – new Vibratory Steel Roller
- \$279,000 – new 8 Wheel Truck
- \$115,000 – new Skid Steer Loader

To allow for the ongoing replacement of plant and equipment, Council maintains a Plant Reserve Fund specifically for this purpose to ensure that there is minimal impact upon annual Budgets. A well managed 10 year Plant Replacement Program and Plant Reserve Fund ensures that Council is able to maintain such a modern fleet.

The 2019/2020 Budget that I now present to the community will be my last as I have made the decision not to re-contest my position as Councillor at the October 2019 Council Elections. It has been an absolute honour to serve the Yilgarn district as a Councillor and I feel even more privileged to have served as your Shire President for the past 6 years. I would like to thank my fellow Councillors and the senior management team, both past and present, for the support that they have given me over the years and I am positive that the Shire of Yilgarn will grow from strength to strength in the years to come.

Before closing, I sincerely thank Councillors and staff for the work and deliberations undertaken in the presentation of the 2019/2020 Budget and I would encourage residents and ratepayers to also take ownership of this document and approach Councillors and senior managers should clarification be required on any matters contained within this document.

**LOCAL GOVERNMENT ORDINARY ELECTION  
CALL FOR NOMINATIONS  
Shire of Yilgarn**

An Ordinary Postal Election will be held on Saturday, 19 October 2019 in the Shire of Yilgarn to fill the following vacancies:

**District**

**3 Councillors**

**4 year terms**

**Nominations Open** on Thursday, 5 September 2019

**Nominations Close** at 4:00 PM Thursday, 12 September 2019

Nominations must be lodged with the Returning Officer:

- at any time during the above period by arrangement; or
- between 2:00pm and 4:00 PM Thursday, 12 September 2019 (close of nominations) at the Shire of Yilgarn, 23 Antares Street, SOUTHERN CROSS.

**Nominations Requirements**

Candidates are required to lodge with the Returning Officer:

- a completed nomination in the prescribed form, signed and witnessed. (This form is available from the Returning Officer, the Western Australian Electoral Commission or the Shire of Yilgarn;
- a single A4 page profile containing not more than 150 words of information about the candidate;
- a nomination deposit of \$80 (cash, bank cheque or postal order);
- a recent passport-sized photograph (optional);
- every candidate must complete the online candidate induction module available at [www.dlgsc.wa.gov.au](http://www.dlgsc.wa.gov.au)

The Commission has developed an online system called Nomination Builder to assist candidates to complete their nomination form which includes the candidate profile. This is the preferred method of completing the nomination form and profile for elections conducted by the Commission. Candidates complete their nomination details and profile, print the completed form which has a reference number allocated and lodge it with the Returning Officer. The nomination builder can be accessed at [elections.wa.gov.au](http://elections.wa.gov.au)

Where an agent lodges a nomination on a candidate's behalf, it must be in the prescribed form with a written authorisation signed by the candidate.

The documents may be hand delivered, posted or faxed to the Returning Officer and must be received by the close of nominations.

**Information**

Full details about eligibility and nomination procedures for prospective candidates can be obtained by contacting the Returning Officer on 0409 049 112 or the Western Australian Electoral Commission on 13 63 06.

# Comedy Gold

Comedy Gold 2019 was, once again, a great night out in Southern Cross with many many laughs. The four Comedians this year were: Khaled Khalafalla, Jerry O, Leigh Qurban and headliner, Luke Heggie and they definitely brought the gold with them. It was a night of almost non-stop laughs with plenty of light hearted, fun interaction with the audience.

Khaled was the emcee for the night and right off the bat had the audience holding onto their sides. Jerry's performance was full of brilliant musical impersonations — who knew Baa Baa Black Sheep could be sung in so many iconic ways? Leigh brought more laughter with his energetic performance and lastly, the headliner, Luke, brought a smart, fast paced, deadpan performance that had the audience roaring with laughter.

Thank you to Anthony Lamond Productions for bringing such an international class event to our small town! Make sure to keep an eye out for the same time next year to see who will be coming!

# Erth's DINOSAUR ZOO

What an amazing turn out for an amazing show! It was really great to see so many people supporting this event and what an event it was!

It was both educational as well as high energy, extreme entertainment. From cute little babies all the way through to enormous dinosaurs there was something for everyone..

Thank you to Country Arts WA Shows on the Go for bringing such a family friendly show to our community.

## Congratulations

Congratulations to Alison and her committee for producing their first show. It was well supported by the amount of entries in the Hall.

The weather on the day held off and was very pleasant. It was unfortunate the people did not support it as well as they have done over the years.

We hope the committee will see fit to keep going and we look forward to the next one.

### Men's Shed AGM

17<sup>th</sup> October 2019

All welcome

To the electors of the Yilgarn

I would like to advise that after serving 12 years, I will not be re-nominating to be a councillor of the Yilgarn Shire Council in the October 2019 elections. I would therefore like to take this opportunity to show my thanks and gratitude. Sadly there are way too many people to thank individually.

Thank you to the CEO's with whom I have worked with throughout my time as a councillor and especially as President (2013 -2019) for their support and guidance. To all the staff of the shire for your work in making our shire a better place to live, work and play.

To my fellow councillors past and present I thank you for the support I have received as President and councillor, I believe it is a sign of a healthy decision process that we do not always agree but are able to accept a majority decision and remain amicable.

For all your time and commitment to the Shire and its community, thank you and I wish you and your new councillors all the best. A special mention to Wayne Della Bosca, Vice President and to Dave Pasini for his critiquing of my performance at all times.

To Lynne Guerini a huge thanks for being so flexible in working for me at a moment's notice if required or at any other time, I could not have done it without you. To my partner and employer Bernie, both I and the Yilgarn community owe you the greatest thanks of all.

You allowed me the time out of your business to carry out my duties as President with no hesitation, this comes at both a financial and personal cost to you and your generosity to this community in allowing me the time should be greatly appreciated and not go unrecognised.

Yours sincerely  
Onida Truran

## The importance of the Find Cancer Early campaign shared at the CRC

Melissa Pickering Cancer Council WA Regional Education Officer—Wheatbelt visited the CRC to speak about the Find Cancer Early campaign. The earlier cancer is found, the greater the chance of successful treatment, so it's vital you know what to look out for and see your doctor without delay when something's not right.

Sadly, sometimes a lack of understanding of cancer symptoms and delaying going to the doctor can lead to a poorer outcome when cancer is diagnosed. Unfortunately survival outcomes for regional Australians are 20-30% worse than Australians living in a metropolitan area, however the *Find Cancer Early* campaign for regional WA aims to change that. The campaign urges people to talk to their doctor if they notice any unusual changes in their body.

If you experience any of the following for more than four weeks – new or changed spots on your skin; problems peeing; runny poo; unexplained weight loss; any unusual pain, lump or swelling anywhere in your body; a persistent cough or breathlessness – get it checked out. Even more importantly, if you ever have blood in your pee or poo, or cough up blood, it's especially essential that you don't ignore it - see your doctor, clinic nurse, or Aboriginal health worker straight away. Go to [www.findcancerearly.com.au](http://www.findcancerearly.com.au) to find out more about the campaign or if you need cancer information or support you can call Cancer Council WA on 131120.

### **Don't gift iTunes cards to scammers**

If you don't know much about iTunes gift cards, that's music to scammers' ears. Fraudsters call out-of-the-blue pretending to be a representative of a government agency, such as the Australian Tax Office (ATO), or they might pose as a utility company – they say you owe money and make threats to scare you, claiming you can pay off the debt with iTunes cards.

You might have seen warning signs about these sorts of scams on the gift card stands / carousels at major retailers. Despite those signs and repeated media stories and community education initiatives, there are still many people falling victim to iTunes gift card scams.

We regularly hear of seniors or vulnerable members of the community buying thousands of dollars-worth of the cards from supermarkets because they're terrified of being arrested or deported, or worried their power, phone line or internet might be cut off.

In regional Western Australia a woman was recently convinced to buy \$8,000 worth of iTunes cards – the phone scammers said there was a warrant out for her arrest due unpaid tax debt and they even gave her directions to a supermarket where she could purchase the gift cards.

She found out it was a scam when she went to the police station, who referred her to the local Consumer Protection office.

Scammers behind these frauds are usually overseas and are very good at their job and use phone numbers that look like they're in Australia.

It's important to know no government agencies or utilities will ever make threatening cold calls and they never ever accept iTunes cards as a payment method.

If you or anyone you know gets a call like this put the phone down or if it's a voicemail that's been left, delete it. Never return the call. You can call WA ScamNet on **1300 30 40 54** to confirm a suspect call is a scam and that you are not in any trouble.

A way we can all fight back is to talk about this scam with relatives, neighbours and particularly people in our community who could be at risk, such as the elderly and new migrants.

If you work somewhere that sells iTunes gift cards and someone tries to buy thousands of dollars-worth in one transaction, talk to your manager or ask the customer to talk to Consumer Protection.

### Grains, Seeds and Hay Industry Biosecurity Funding Scheme

In June 2010, the Grains, Seeds and Hay Industry Funding Scheme (IFS) was introduced to address pest and disease issues relevant to the Western Australian grain, seed and hay industry.

The Scheme was established under the *Biosecurity and Agriculture Management Act 2007* to enable growers to identify the pest and disease priorities at a whole-of-industry level and raise funds to activities to address these priorities.

Funds are raised through grower contributions that are collected by registered receivers<sup>1</sup>. Growers do not have to participate in the Scheme — there is a mechanism that allows them to opt out. Opting out does not remove the legal requirement to deal with the pests and diseases to which the Scheme relates, but does disqualify the grower from any benefits provided by the Scheme such as on-ground assistance to control the pest or disease and compensation.

---

<sup>1</sup> As defined by the Biosecurity and Agriculture Management Industry Funding Scheme (Grains) Regulations 2010.

The Grains, Seeds and Hay IFS is overseen by a seven-member Industry Management Committee, appointed by the Minister for Agriculture and Food. As required by regulation, the majority of the Management Committee are full participants of the Scheme.

The Management Committee is responsible for approving payments made from the IFS Account and the biosecurity-related programs funded through the Scheme. They also provide advice to the Minister on the Scheme's area of operation and the contribution rate.

## 2019/20 Grains, Seeds and Hay Industry funding Scheme

For the 2019/20 financial year, a contribution of 25 cents per tonne will apply to the first sale of grain and seed produced in the agricultural area<sup>2</sup> of Western Australia.; and a contribution of 12.5 cents per tonne will apply to the first sale of hay produced in the agricultural area<sup>2</sup> of Western Australia.

The money raised will fund programs to control skeleton weed and eradicate three-horned bedstraw.

Managing biosecurity threats requires a collaborative effort. The Scheme is industry working together to address the priority issues that can impact on the future of the WA grains, seeds and hay industry.

---

<sup>2</sup> The agricultural areas (roughly a line from Northampton to Esperance) are defined as all local government districts excluding Broome, Halls Creek, West Kimberley, Wyndham-East Kimberley, Ashburton, Carnarvon, Coolgardie, Cue, Dundas, East Pilbara, Exmouth, Laverton, Leonora, Kalgoorlie-Boulder, Meekatharra, Menzies, Mount Magnet, Murchison, Ngaanyatjaraku, Port Hedland, Roebourne, Sandstone, Shark Bay, Upper Gascoyne, Wiluna and Yalgoo

The Grains, Seeds and Hay IFS Management Committee welcomes industry input to and feedback on the Scheme. The Management Committee is committed to ensuring the Scheme is addressing the industry's priorities efficiently and effectively.

### Changes to the Scheme

- ♦ The 'first and last mile' special RAV access arrangements have been finalised.
- ♦ HMMS will continue, however will revert to its original intent as a mass management scheme.

### Access Update

- ♦ 1053 roads were endorsed under HMMS Road Lists for the 2018-19 harvest period.
- ♦ Onsite assessments are underway with the intent to add these endorsed roads to the relevant RAV Networks prior to the upcoming harvest period.
- ♦ This eliminates the need for future special access arrangements under HMMS.

### Key Points

- ♦ No changes to the HMMS mass provisions.
- ♦ Apply for new RAV access early, allowing up to 12 weeks.
- ♦ HMMS access is now via RAV Networks or Restricted Local Access Permits.

# Harvest Mass Management Scheme

## What you need to know for 2019-2020 Harvest Period

### Register for HMMS

- ♦ If you wish to participate in HMMS, continue to register your vehicles with a participating Grain Receiver.
- ♦ Familiarise yourself with the HMMS Business Rules, available on the Harvest Mass Management Scheme page of our website.
- ♦ DO NOT submit a HMMS Road List to Main Roads.

### New RAV Access

- ♦ If there are additional roads you need, for an upcoming harvest period, which are not approved for RAV access and you did not apply for them under HMMS last season, you will need to apply to Main Roads to have the roads assessed via the standard RAV application process.

### RAV Access Options

- ♦ Use a Category 1 RAV vehicle combination that is 20 m or less in length and 50 t or less in gross mass on any road.
- ♦ Use a RAV that is greater than a Category 1 RAV vehicle combination on approved RAV Network roads.

For more information about HMMS contact our Heavy Vehicle Help Desk on 138 486 or visit the Harvest Mass Management Scheme page on our website at [www.mainroads.wa.gov.au](http://www.mainroads.wa.gov.au)

# Harvest Mass Management Scheme 4 Step Guide

Follow these four steps to ensure you are ready for the 2019-20 HMMS harvest period:

## Confirm RAV Network

- Transport operators and farmers need to ensure all roads they use are approved for the particular RAV combination being used. This information is available on the RAV Mapping Tool. Roads endorsed under a HMMS Road List in 2018-19 will be approved if they meet the minimum safety standards. If the roads requested do not meet the minimum standards, the applicant will be contacted by Main Roads and advised accordingly.

## New RAV Access is Required

- If additional roads are required, the transport operator or farmer needs to apply for new RAV access via the standard RAV application process. DO NOT submit a HMMS Road List to Main Roads. Further information and application form is available on the Road Access page of our website.

## Register for HMMS

- The transport operator must register their vehicles with a registered Grain Receiver. They should also familiarise themselves with the Business Rules available on the Harvest Mass Management Scheme page of our website.

## Commence Operating

- Once the roads you require are all approved for the relevant RAV combination being used, your vehicles are registered with a Grain Receiver, and you are familiar with the Business Rules, you are ready to start carting for the harvest season.

For more information about HMMS contact our Heavy Vehicle Help Desk on 138 486 or visit the Harvest Mass Management Scheme page of our website at [www.mainroads.wa.gov.au](http://www.mainroads.wa.gov.au)

## Pioneers of Yilgarn

Stage 1.

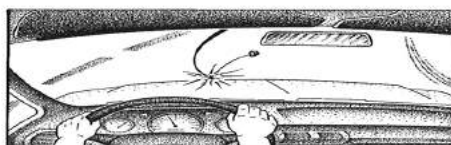

Citizens who built this district between  
years 1887 and 1914

**Sprunt, Gordon:** Came to Southern Cross during the mid-1890's. He worked on the railways before starting a newsagency business in Railway Town with his wife.

Later, they moved the business to lot 38 in the main street to get better exposure. The business was expanded by including a mail run and taxi service to Marvel Loch and Parkers Range. Sprunt used a T model Ford motor vehicle on the mail run.

Their eldest son was killed during the first war which triggered both parents to take a leading role in soldier welfare at Southern Cross. Both were recognised for community work. Sprunt served as member of Yilgarn Road Board before retiring to Perth.
