SOUTHERN CROSS SWIMMING POOL UPDATE SHORTENED 2019 SWIMMING SEASON

Due to delays in the development of drawings and designs for the new Swimming Pool, Council has now approved for the existing Pool to be opened for a shortened swimming season in 2019.

The Pool will now be open from 2nd October to late December 2019. Following this period, the Pool will be closed and early in the New Year, contractors will commence demolition of the existing infrastructure to make way for the construction of the new Pool.

On the advice of Council's Architects, at this stage programming will see the construction completed in mid-October 2020 with an opening of the new facility by 1 November of 2020.

COMMUNITY COLOURS FUN RUN

An amazing day was enjoyed by all that attended the Community Colours Fun Run held on Saturday 12th October 2019.

The rain once again held off for the whole event allowing lots of fun and community spirit. It was a morning spent with fellow community members out in the fresh air being active and spreading awareness of mental health issues suffered by many.

Unfortunately the numbers of participants was a little low this year with the weekend being a busy one for parents taking kids back to school with the end of the school holidays as well as other commitments.

For those unaware, the date was chosen to coincide with Mental Health Week, Sunday 6th October through to Saturday 12th October.

Thank you to WA Mental Health Association for the grant funding provided to hold the event which allowed the purchase of the white shirts and hats.

Thank you to our amazing volunteers, Onida, Di and Molly for throwing the colours and being in the firing line to receive it as well!

Thank you to Nathan for cooking the sausages and Sandy for doing the warmup before hand, your help was very much appreciated on the day.

It was also great to see our amazing local police officers there supporting the event. Their uniforms looked fantastic with just a bit of extra colour!!

This event is proudly supported by

COMMEMORATIVE PAVERS AND MEMORIAL GARDEN

St Joseph's School, in conjunction with our P&F Association, would like to invite you to be a part of an exciting initiative. As part of our new memorial garden, which is due for completion by the end of 2019, we would like to offer you the opportunity to purchase personalised engraved brick pavers to be placed at the entrance of the school and will link in with the memorial garden.

These pavers will be a timeless gesture, having your family remembered for years to come within the school grounds.

All orders and payments need to be received no later than Monday, 9th December 2019. The official opening of the commemorative pavers will take place during Term One 2020.

Please share this initiative with past families and staff who have been a part of the St Joseph's Southern Cross community.

Forms are available from the school website (look under 'News & Events' menu) to complete electronically and download, as well as from the school office. Please email all completed forms to admin@stjoessx.wa.edu.au or post order forms to PO Box 89, Southern Cross 6426.

If you have any questions, feel free to contact the school office on 9049 2100.

The **H.A.Y. COMMITTEE** is hoping to hold its'
AGM & GENERAL MEETING ON THE 5TH NOVEMBER

and this seemed a good time to explain our operation and our focus on our rural and remote community.

We have never been responsible for the provision of primary health services, although we have very limited funds available for people in a one off emergency situation. Primary health services are made available through other agencies or are trained professionals who have their own funding or budgets provided. There seems to be a misconception as to our role because of the name "Health Agencies of the Yilgarn". We are currently looking into amending the name of this volunteer group, due to the change of it's role since inception over 30 years ago.

We are again looking this year to offer the opportunity to take part in the LEEUWIN SAILING VOYAGE to a young person who is from our community. Also for State Events in Perth we have been able to support the JUNIOR FIRIES when they go. These are 2 areas we have been involved with for several years and provided opportunities for many young to take place in positive experiences not available to them here.

It is our intention to operate the DRIVER REVIVER VAN over the Christmas break. So once again we will be relying on some of you to volunteer your help during this time to provide a very worth while service to the motor public using Great Eastern Highway. The van has been operated by us with the assistance of the Shire for many years at Easter and Christmas and the support from everyone when asked for help is always exceptional.

This committee were very happy to be able to support the hard working YILGARN MOTORING ENTHUSIASTS this year, and congratulate them on a job very well done on September 29. In previous times we have added our support to the Ladies Health Day, a First Aid Course and a visit from Constable Care, both initiated by the local Police, a Bush Fire Appeal function organised by the Volunteer Fire Brigade and for many years organised and ran a Youth Camp, sometimes to Harvey and sometimes to Albany

We hope this gives a broad picture of our role and our aim to provide opportunities not covered by other organisations or primary health service providers, and encourage anyone who is interested to come along to our AGM and learn more.

Also our Members & volunteers who bagged goody bags, manned the kitchen, gate, office, positioned cars, bikes & stalls as well as setting up the complex lounge & putting tents up & down and lugged equipment back and forth to our club house.

Thank you to all of our food vans, market stalls and swap meets stalls for attending, we hope you had a good trading day.

Also thank you to our wonderful St John Ambulance volunteers for being in attendance in case anyone needed their assistance.

Lastly thank you to all our members for their tireless hard work in organising and running of our event and we would like to thank all of our wonderful volunteers for their help on the day, some of whom are not even members of our club. We are only a small club with 27 members (with only 16 members being available on Sunday), so it is a massive effort. The weather was glorious on the day, maybe a touch on the warm side. We have once again had some great feedback from our visiting car and bike enthusiasts about how much they enjoyed themselves and that they felt very welcomed by the locals.

We say "Thank you for coming, there is nothing like good old country hospitality and we hope to see you all again next year!"

The Local Tourist

THE LOCAL TOURIST IS LET DOWN

I think preparation is overrated. I spent last week preparing for the trip outback by chatting with RungaBusta about how everything was going- personal packing done, food packing done, vehicle okay, camper's lights fixed/adjusted, back of the Ute packed, enough water on board. Normal pre-travel conversations. Preparing for a trouble free (as much as possible) long weekend in Kookynie, with lovely friends looking for gold with our detectors.

We try and go away on the long weekends because it gives us three/four days away, in the bush doing what we love to do – rejuvenate the spirit, chill out, sleep really well.

We left about 10am, heading for Kalgoorlie and the Big Green shed to get some bits to fix our home made loo. We just passed Rollie and Shellie's place and the foot comes off the accelerator and an expletive rang out through the cabin. Hmmm. That was a doozy of a swear word!!! The radiator is overheating too fast and it's up to $\frac{3}{4}$ within 5kms, and climbing. Don't think we will be going too far too fast unless we can find out why. He turns the Slowdeo and camper around and slowly (no pun intended) heads back to town. He's so interested in the temperature controls, didn't even see the brother-in-law waving on the bench at Mululu. Dropped Skitzo and I off at home to read the paper and do the puzzles, while he went operating on the vehicle at the workshop.

A couple of hours later and the trips off. The radiator is mega blocked and Runga is fit to be tied. I tippy toe around the house, let him have a nap (that helps) then get invited out to nibbles and drinks at 5pm. You betcha! I'm off for some rest and relaxation in a non-upset atmosphere.

Sunday, we are sitting at the table, Runger trying to figure out what he's going to do, so it was decided by the unanimous vote of one, that we would go to Merredin/Perth to get the radiator stuff to try and fix the blockage. Lunch was at Bakers Hill and a Pastie, which I ate for the rest of the day, and then we hit the big smoke and found the goodies needed. Facetiously, we say, we should go and see Gail and Steve while we are in Perth. Ha, ha, they are in Southern Cross. Funnee Funnee!!!! Then it hits me; my other sister from Meena Creek in QLD is at Gail's and going up to Exmouth to see the new Grandie soon. She was available, so free wheeled up the freeway and spent a lovely hour catching up. Then it was home again, jiggerty jig. Not bad for a weekend away.

It's an ill wind that blows nobody any good- at least Big n Bad won the People's Choice at the Car Show. Way to go, Steve.

Pioneers of Yilgarn

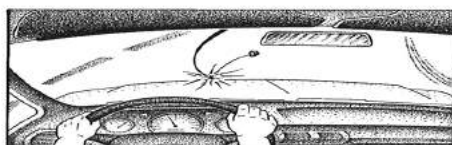

Stage 1. Citizens who built this district
between years 1887 and 1914

Thompson, Frederick: Worked on Sayers mine about five miles south of Southern Cross during 1888, and was killed by an explosion of dynamite. Safety features in the mining industry were non-existent in those days. Fred has the distinction of being the first inmate in pioneer cemetery.

Thorn, William: Came to Southern Cross in the early 1890's as an auctioneer. In 1892 he was appointed first Town Clerk of the Municipality. He was also secretary to the Yilgarn Road Board, with both governing bodies made up of mostly the same men. This wasteful duplication went on until 1918 when the two were amalgamated. Thorn was responsible for getting both institutions off the ground. Rates and other income was insufficient to get the job done, and government grants was the main source. Thorne became disillusioned and left in 1894 to get into the flour milling industry where he was highly successful.

Tindale, William: Owner and publisher of Southern Cross Miner newspaper around 1900. Papers were important means to reach the people, Tindale's articles bringing attention to shortcomings in the community and helped build a better town. His journalistic style was refreshing to read. Unfortunately Tindale was driven broke by rival newspaper Southern Cross Times which was owned by moneyed people more intent on being heard than helping. The town was not big enough to support two newspapers.

Local Sporting Champions is a Morrison Government program that provides grants to children aged 12-18 who are attending eligible state, national or international championships.

The Federal Member for Durack Melissa Price has welcomed the new round of grants. As a representative of a regional, rural and remote electorate it is an opportunity for me to support talented, ambitious young sports people and their dedicated families in my electorate.

"It is a fantastic chance to assist these children pursue their sporting dreams and represent their communities, but also to help their families cover costs which can be prohibitive in a large electorate like Durack," Ms Price said.

Local Sporting Champions has provided more than \$30 million to support more than 52,000 junior athletes, coaches and officials since 2008.

The program continues to grow, with the Morrison Government committing to a funding boost of \$11.8 million over four years from 2018-19. This has resulted in a record year for the program in 2018-19, with more than 9000 grants issued across 76 different sports.

Local Sporting Champions is managed by the Australian Government's peak sporting agency, Sport Australia.

These grants are delivered through four grant rounds a year. Applications for this round close on **31 December 2019**.

Application details are available at <https://www.sportaus.gov.au/lsc>

Ends.

On average, small business operators donate more than \$10,000 to local charities and a similar amount to local schools, sporting clubs and sponsorship of local groups and events.

You can make a small change and support local small businesses by championing a business in your area, committing to spending an extra \$10 per month on local business, or committing to purchasing some goods and services exclusively from a small business.
