Wheatbelt Medical Student Immersion Program

TUESDAY 10 TO FRIDAY 13 MARCH 2020

Opportunity to billet medical students

Students will be billeted with local residents who can provide them with valuable first-hand experience of rural life and issues. Scheme water cannot be guaranteed during a bushfire

Water Corporation is prepared for bushfire season. However, we cannot guarantee that water pressure or water supply will be maintained in the event of a bushfire. Extreme demand, fire damage and power cuts can all result in a total loss of water.

If you plan to stay and defend your property during a bushfire, you must have your own independent water supply and pumping capability, and must not rely on scheme water.

Full details about how to prepare for the bushfire season can be found at firechat.wa.gov.au

A Firefighter's Prayer

*When I am called to duty, God wherever flames may rage.
Give me strength to save some life, whatever be its age.
Help me embrace a little child before it is too late.
Or save an older person from the horror of that fate.
Enable me to be alert and hear the weakest shout;
and quickly and efficiently to put the fire out.
I want to fill my calling and give the best in me
To guard my every neighbour and protect their property.
And if according to your will, in my duty I must answer death's call,
Bless with your protective hand, my family one and all.*

Mental health in Western Australia

What's happening?

In Western Australia:

One person dies every day by suicide. That's more than the road toll.

Nearly 3 out of 4 deaths by suicide are male.

WA's suicide rate was approx 20 per cent higher than the national average in 2016.

A big risk factor for suicide and self-harm is having a mental health issue.

We can reduce the risk of suicide by treating mental health issues early, by building resilience, and improving the overall mental health and wellbeing of Western Australians.

1 IN 5 AUSTRALIANS WILL HAVE A MENTAL HEALTH ISSUE EACH YEAR

\$9.0 BILLION

WAS SPENT ON MENTAL HEALTH SERVICES IN AUSTRALIA IN 2015-2016

Where to get help?

If you or someone you know is in a life threatening situation, or is at risk of harm to themselves or others, call 000.

Getting help early can make a difference. A good place to start is:

- Talk to your GP or someone you trust.
- Call a support line.
- Contact a support service.
- Try the Think Mental Health check-up tool.

Looking after your mental health and wellbeing

Looking after your mental health and wellbeing is just as important as looking after your physical health.

It's normal to have ups and downs in life, it happens to all of us. Looking after your mental health enables you to function well and be able to cope when things aren't going so well.

Little things you can do include:

SPEND TIME WITH FRIENDS, LOVED ONES & PEOPLE YOU TRUST

GET ENOUGH SLEEP

TAKE TIME OUT & ENJOY YOUR HOBBIES

KEEP ACTIVE & EAT WELL

TALK ABOUT OR EXPRESS YOUR FEELINGS REGULARLY

REDUCE ALCOHOL CONSUMPTION

AVOID ILLICIT DRUG USE

Signs and symptoms of mental health issues

- Noticeable change in usual behaviour.
- Feeling down for some time and not getting better.
- Problems sleeping.
- Lack of energy and motivation to do everyday things.

- Major changes in eating habits.
- Withdrawal from friends and activities.
- Increased use of alcohol or other drugs.
