SOUTHERN CROSS GOLF CLUB 2020 GOLF SEASON

A Committee meeting of the Club was held on Thursday, 7 May to discuss starting the season under COVID-19 restrictions and guidelines and upon advice from Golf WA.

With social distancing rules being relaxed and golfers now being able to go around in 4's, the Committee decided that it will now commence its season on **Sunday, 7 June 2020**. Players will be informed of protocols relating to the handling of pins and scrapers on Opening Day.

Fixtures will be prepared by our Captains, which will include Club Championship events. A decision of the Committee was that there will be no sponsored events this season as it was felt that the Club did not want to put pressure on businesses and individuals in this current economic climate.

Annual Membership Fees have been reduced from \$125 to \$100 due to the late start of the season. Membership fees will be our only source of income this year so we would encourage Golf Club Members to pay their fees within the 3rd playing date of the season.

Australia's Biggest Morning Tea goes virtual in 2020

2020 marks the 27th year of Australia's Biggest Morning Tea which is one of Cancer Council WA's biggest fundraisers, and this year, hosts are being asked to continue to show their support for those affected by cancer during this critical time by going virtual and using popular platforms like Zoom, Skype and WhatsApp.

Melissa Pickering, Wheatbelt Regional Education Officer said support for this year's Australia's Biggest Morning Tea is more important than ever.

"Australia's Biggest Morning Tea funds programs and services for those going through cancer, including crisis relief during the COVID 19 pandemic such as financial assistance and counselling," Ms Pickering said.

"ABMT will also ensure life saving cancer research continues so momentum isn't lost and breakthroughs can continue to be made."

Find out how to host your virtual morning tea at biggestmorningtea.com.au or call the fundraising team on 1300 656585.

Other event options include postponing until later in the year and holding a more traditional morning tea when it is safe to do so, having a 'cuppa catch up' with the people in your own household or donating directly at biggestmorningtea.com.au

Cancer Council WA thanks all its past hosts and new ones coming on board in 2020. Any support that can be offered is great appreciated.

For cancer information and support please call Cancer Council WA 13 11 20

Did You Know?

Did you know that Southern Cross had an Arboretum. For many years the Arboretum opposite the hospital was quite a landmark.

Planting different type trees gave local governing bodies the opportunity to see what type of tree was suitable for a particular locality.

Planting commenced in 1951 under headmaster Ray Cook, and was carried on by school children for a number of years.

Each tree received one gallon of water at the time of planting and then had to fend for itself.

I can recall marching over the lake as a schoolkid to plant a tree.

Today the caravan park occupies this area, making good use of the shady trees that survived.

The 2019/20 season saw a number of new and returning faces. Firstly the Committee would like to thank last seasons president Beau Parsons for his hard work during the first season for the Yilgarn Mixed basketball association. Beau did not wish to continue his position for this season and a new committee was elected at Our AGM

During the grading nights the committee was able to form 5 teams to play on Thursday nights. The teams were as follows:

The finals series was brought forward due to works being undertaken at the sporting complex, however this seemed to be a blessing in disguise as our season may not have even finished with the current world situation.

These games were fought out over two nights to see who would go through to the grand final.

The Gaveller's played the Clipper's in an intense final with the spoils going the Clipper's way. Well done to both teams for making the final.

Thankyou to the umpires on the evening and thankyou to our season sponsors and supporters. Scorers, time keepers, match/gameday recorders, umpires for the season.

MEDIA RELEASE

6 May 2020

MIA'S LOCAL HERO GRANTS

Member for Central Wheatbelt Mia Davies MLA has launched a new 'Local Hero' small grants program to help support local community groups across the Central Wheatbelt electorate.

Ms Davies said that in her role as the local State Member she was always pleased to support groups and the new program would offer small but meaningful grants to the community.

"My new *Mia's Local Hero Grants* program will provide \$250 grants for local groups who support and enrich our community in the electorate of Central Wheatbelt," Ms Davies said.

"The first round opens on 1st May 2020 and I'd encourage eligible groups to make an application.

"It could be to support or sponsor a local event, contribute toward the purchase of new equipment or materials, or to assist your group to better support your members or community."

Ms Davies said the grants provided an opportunity to show her support, thanks and appreciation for the hardworking volunteer and not-for-profit organisations that make such a difference in our community.

"The application process isn't onerous, but it will be competitive so make sure you explain clearly how the money will be used and why it will benefit the community or people you support," she said.

"There will be more than one round a year, so if you're unsuccessful in this round I'd encourage you to apply again when we re-open them down the track.

"I'm looking forward to receiving the applications, and if anyone has concerns about their eligibility they should contact my office."

Round 1 opens 1st May 2020 and closes at 4.00pm on Monday 1st June 2020.

For further information on how to apply visit <https://www.nationalswa.com/our-team/mia-davies/> or contact the electorate office on 9041 1702 (Merredin) or 9622 2871 (Northam).

WHEATBELT NRM MOST WANTED!

Have you seen any of these?

Malleefow

Did you know this amazing bird is losing its fight against feral predators and habitat loss. Did you know they are part of a group known as Megapodes – which means 'large foot' due to the strong legs they use to dig their nesting mound.

Black cockatoos

There are three species of black cockatoos in WA and they can all be found in the Wheatbelt. The iconic Carnaby's cockatoo is known as the bringer of rain. This is probably related to their habit of returning to the Wheatbelt in winter to breed. Did you know they nest in tree hollows and only eucalypts around 150 years old have the right type of hollows.

Wheatbelt Woodlands

The Wheatbelt Woodlands include some of our iconic eucalypt woodlands such as Salmon gums, York gums and about 31 other species. We are working to protect patches of remnant bushland in good condition. Do you have your favourite patch of eucalypt woodland? Do you want to protect it and restore it?

Have you seen any of these special birds, or do you have a patch of woodland? Contact us to share your knowledge and help us protect our Wheatbelt wonders.

The WA Wheatbelt is home to a huge number of unique flora and fauna species. And Wheatbelt NRM is on the lookout for some of our most wanted. These species are considered threatened and we are working with community to ensure they don't go extinct.

Let us know so together we can ensure their survival. Contact Anika Dent on adent@wheatbeltnrm.org.au or 9670 3104.

Look out for others

- * Stay in touch and try to reassure people you know who may be worried, just ringing for a chat can help.
- * Check in with people who you know are living alone.
- * Offer to drop off meals or collect shopping for older neighbours or family members.
- * Offer to pick up medications or to change library books.
- * Organise further assistance if they become unwell.

By supporting one another and those who are more vulnerable we can all get through this together.
